

SALUTE TO NEWSPAPER BOYS—Saturday is National Newspaper Boy Day, which is observed annually during National Newspaper Week. On this day the nation's press and the public salute these leaders of tomorrow. Your newsboy, who braves the chilly blasts of winter and the ruthless July sun, is learning to work and accept responsibility-training, which will enable him to rise to a position of honor and trust in the future. Typical of the newspaper boy are three of The Freeman carriers who have routes in the uptown section of the city. From left to right they are Thomas Ryan, Wayne Heseltnier and Donald Navara. May Go to Appellate Court Move Against Onteora Link Denied Thursday

A long dispute over annexation of Woodstock School District No. 2 to the Onteora Central School District apparently reached its inextinguishable conclusion on Thursday.

Supreme Court Justice William Deckerman yesterday in Albany denied an appeal to vacate the order annexing the Woodstock District to Onteora and enjoined officials of the Woodstock district from assuming jurisdiction and collecting taxes.

Bar to Present Judge Flemming Memorial Monday

The Ulster County Bar Association will honor the memory of the late Judge Harry H. Flemming by appropriate ceremonies at the opening of the October term of Supreme Court in Ulster County at the court house on Monday, Oct. 6 at 2 p. m.

Soviet Resuming Tests, Pointing To U.S., Britain

MOSCOW (AP) — The Soviet government said today it has resumed testing of its nuclear weapons because the United States and Britain have kept on with their test shots.

Year-Long Fight

The matter has been involved in litigation for more than a year. Attorney John E. Egan who appeared for the petitioners was unavailable for comment early this afternoon on a report that he would appeal Justice Deckerman's decision to the Appellate Court.

A vote favoring annexation with Onteora was held in the Woodstock District in August, 1957. It was appealed in early September last year with Dr. James E. Allen Jr., state education commissioner, holding a public hearing May 2, 1958. He sustained annexation in a decision in late July.

The commissioner's decision was then appealed and taken to Supreme Court where Justice Isador Bookstein stayed all proceedings pending termination of the litigation.

Attorneys for Onteora and the State Education Department had argued that the Bookstein order staying the Onteora district from assuming jurisdiction and collecting taxes from Woodstock residents should be vacated.

Justice Deckerman said in his opinion that the decision of Acting Commissioner of Education Ewald B. Nyquist was "neither arbitrary nor capricious" as the petitioners had contended.

Justice Deckerman said that the court "should not substitute its judgment for that of the acting commissioner, acting under statutory direction." He denied the application and the petition was dismissed.

The order staying the Onteora Central School District should be vacated and the former members of the former board of trustees of former Common School District No. 2, Town of Woodstock, should be enjoined from all official action," Justice Deckerman ruled.

Under the former order both school systems have sent tax bills to residents of the Woodstock district. Under the temporary Bookstein injunction neither could collect pending termination of proceedings.

Anthony J. Erena Downtown Postal Branch Has New Superintendent

A post office employee for 27 years, Anthony J. Erena of 73 Cedar Street, has been appointed superintendent of Rondout Station, it was announced today by Oscar V. Newkirk, Kingston postmaster.

Erena replaces Thomas L. Gorham of 14 Merilina Avenue, who retired September 30 after 40 years and four months service with the post office department.

Appointed to the postal service June 20, 1931, Erena has been in the Rondout Station since May 1942. More recently he served as acting superintendent when Gorham was ill.

Erena is the son of Mrs. Mary Erena, who lives with her daughter, Grace at 69 Cedar Street. He is married to the former Adeline M. Saccoman. They have two sons, Joseph C. and Anthony J., and a daughter, Joan A.

A graduate of School No. 8 and Kingston High School, Erena also attended New York University.

Active fraternally, he belongs to Kingston Lodge No. 870, Loyal Order of the Moose; Kingston Council 275, Knights of Columbus; Colonial City Lodge 733, BPO Elks; Christopher Columbus Society, and St. Mary's Holy Name Society. Erena, state president of the New York State Moose Association in 1952, was honored by various national lodge appointments.

Mayor, Officials Are Ordered To Court on Naming Policemen

Radel Asks New Vote On Schools Hits Lack of Time For Many to Speak

Mayor Edwin F. Radel in a letter dated Oct. 2 to Dr. James E. Allen Jr., state education commissioner, hit at the lack of opportunity for more than 30 persons to speak at the recent hearing on consolidation and again proposes a referendum at the Nov. 4 election.

Primary consideration, the mayor held, "should be given the fact that the people of the City of Kingston, did in an informal referendum," vote against consolidation. "I need not impress you with the fact that your visit here yesterday was to hear information concerning the feelings of the residents of the City of Kingston."

Mayor Urges Caution
Since outlying districts "should be of no concern," he said, "I request that all due caution be exercised by you in accepting any information from organizations whose composure includes, in many cases, a high percentage of non-resident members."

Views forwarded in the letter, the mayor noted, were to have been presented by Third Ward Alderman Donald M. Hastings, who was to appear at the evening session of the hearing "both in my behalf, and as the duly elected representative of the Third Ward comprising over 2,100 voters."

Some for, Against
Those unable to speak, it was noted, were "irritated and disappointed." They had been informed that "ample opportunity would be given them to be heard after business and working hours." In the group, he said, were persons both for and against the proposal.

Of organizations with non-resident members, he noted, that it is evident "that certain polls sponsored by these groups do not represent a true consensus of the city residents' feelings, because of the percentage of non-Kingstonian ballots. Because of this, it is logical to assume that we are weighing many votes over and over for the reasons that they not only voted in their own individual districts, but were polled again in accordance with the number of groups with which they are affiliated."

Notes Aldermen's Views
A big point, the mayor noted, should be the fact that 12 of 13 duly elected aldermen as dispoled representatives of all of Kingston's 30,000 residents, had expressed their feelings in several letters. At no time, he noted, were they censured or criticized by their electorate "for the positive stand they took."

The education board, he noted, failed to get a "positive and accurate" opinion through arranging a referendum at the general election. He felt that Dr. Allen "could generate a great deal of respect and admiration from our citizenry by permitting, even at this late date, the mechanics of a referendum" to take place Nov. 4. This he held, would reaffirm the peoples' faith in Democratic principles. A hand written ballot could be used, he said, if it could not be put on the machine ballot.

The letter noted a request to this effect in April when it was asked that the local education board's vote for consolidation be set aside.

Arthur S. Flemming Two Still Sought For Saugerties \$246 Check Deal

Police today still sought two unidentified men who swindled an elderly Saugerties woman out of \$246 Monday afternoon.

Chief Arthur W. Richter of the Saugerties Police Department reported his men and the Kingston state police BCI were "still working on it."

He said a description of the truck in which the two men made their getaway had been obtained, but the license number is unknown.

Left in Truck
Chief Richter said it was a light, olive-green Chevrolet with rack and green canvas. There were ladders on the top of the truck, but no lettering was visible, he said.

It was reported that Mrs. Mary Shahan's check for \$246 made payable to Levitt Cyr for roofing work he claimed had been done on her home, 15 Ulster Avenue, was eventually cashed by Ronald B. Johnstone, a Saugerties photographer.

Mrs. Shahan was visiting Mr. and Mrs. Lewis Fellows, Lafayette Street, when a man claiming to be a Kingston roofer told her that he had completed work on her home and asked \$246 in payment.

Signs Blank Check
Mrs. Shahan told the men she had not ordered the work, but thinking she might have forgotten, and to avoid further argument, she signed a blank check borrowed from Fellows and gave it to the man, Chief Richter said.

Apparently prepared to make a quick getaway with cash, one of the men had made earlier arrangements to purchase a motion picture camera-valued at about \$95 from Johnstone. The man known as Cyr purchased the camera with the \$246 check and Johnstone, who did not have sufficient cash for change, gave the man his personal check for the balance, Richter said.

Too Late to Stop
Mrs. Shahan told police she tried to stop payment on the check after she discovered no roofing work had been done, but it had been cashed by Johnstone. Chief Richter said today the pair had visited a couple of other elderly ladies and had tried to interest them in roofing work on their homes, but were unsuccessful.

One of the men was described as five feet, five inches in height, about 33 to 35 years old, with a large nose and swarthy complexion. He wore a leather cap, bluish gray sweat shirt and dark trousers.

The other was described as five feet, eight inches, about 40, wearing a gray work shirt and gray pants.

Educators to Hear Flemming Dec. 8th

Dr. Arthur S. Flemming, native Kingstonian who holds a seat in President Eisenhower's cabinet, will be the principal speaker at a dinner meeting of the Mid-Hudson School Boards Institute Monday evening, Dec. 8, it was reported by the Kingston Board of Education at its regular monthly meeting Thursday night.

Dr. Earl F. Soper, superintendent of schools, told the board that Dr. Flemming had been obtained as a speaker through the efforts of Mrs. Vincent G. Connelly, a member of the local board.

Leader in Education
Dr. Flemming is secretary of Health, Education and Welfare in the Eisenhower administration.

The meeting will be at 7 p. m. at New Paltz State Teachers College.

The institute is composed of school boards throughout the Mid-Hudson Valley. Mrs. Connelly said last night that it was planned to invite all former members of the local board of education.

A number of Kingston's nine-member school board expect to attend.

To Write Thanks
On recommendation of David Kline, the board decided to write a letter of appreciation to each person speaking in support of consolidation at the hearing Wednesday before State Commissioner of Education James E. Allen, Jr.

A number of board members expressed the feeling that the speeches supporting consolidation had been excellently prepared and presented.

It was pointed out that Dr. Allen will be pleased to receive any further statements by mail at his office in Albany. They should be in his hands by Monday, however.

The board took cognizance of a communication from John Ray

Ellis Asks Covered Walks

Would Shelter Students From Rain, Cold, Slush

The Kingston Board of Education was asked Thursday night to consider the possibility of building covered walks or passages connecting Kingston High School with the Kate Walton Fieldhouse and the Vocational building to protect students from rain, snow and slush.

Charles G. Ellis of 186 Fair street, speaking as a parent, taxpayer and member of the Kingston Parent-Teachers Association Council, said that practically all of the students make the trip between at least two of the buildings, perhaps three, every day.

Sit in Wet Clothing
He said that when it rains hard they get soaked "and sit in their classrooms in wet clothing. If it snows, the same. If there is sleet or slush, they paddle through it, often several times a day, mind you, in whatever footwear they may happen to have on."

President Robert Herzog, referring the matter to the building committee headed by George Schneider, said that the problem had arisen many times and had given the board much concern.

Some Prefer Outside
In board discussion it was pointed out that many students take an outside route when going from the fieldhouse to the vocational building, even though they could avail themselves of the protective corridors of the main high school building, that some would probably walk through the weather even if there were walks available.

It was felt, however, that most students would use such covered walks in inclement weather if they were in existence.

One member suggested the possibility of walks covered by awnings. Others felt it would have to be more substantial to be entirely effective.

Ellis pointed out that practically all students visit the field-

To Appear In Albany October 10 Appointments Are Not Legal: Cahill

Mayor Edwin F. Radel and other city officials have been served notice for appearance in Albany Oct. 10 for determination of a "show cause" order pertinent to the claim of Attorney Matthew V. Cahill that appointments to the police department have been made illegally.

Cahill contended at a September Common Council meeting that names had been illegally passed in making police department appointments from a civil service eligibility list.

It is held that several appointments have been made illegally and the city treasurer consequently has been making illegal payments of salaries.

Asked to Show Cause

The application asks that the mayor and other respondents show cause as to why the court should not grant an order directing that the police board "forthwith cancel and discontinue the employment of any and all patrolmen now employed or appointed, whose name is listed below No. 8 of the present police eligibility list, and refrain from making any appointments to the aforesaid positions, unless said appointments are selected from the civil service eligible list certified to it by the Municipal Civil Service Commission as suitable from which to make appointments."

It also asks that they "desist from authorizing, certifying and directing the payment of compensation, directly or indirectly, to any or all persons appointed to said positions other than from the aforesaid civil service eligible list in accordance with the civil service laws, and the rules for the classified civil service."

Would Stop Payments
Cahill, a former city judge and corporation counsel also asks that the city treasurer desist from making salary payments, and seeks "such other, further and different relief, as to this court, may seem just and proper, together with the costs and disbursements of this proceeding."

Respondents listed besides the mayor are commissioners Henry Singer, Robert S. Evers, Lawrence A. Quilly and Henry P. Eighney, of the police board; Philip F. McDonald, Thomas J. Finnerty and Mrs. Rose Hogan, of the civil service commission, and Orrie R. Riehl, city treasurer.

Represents Son

The application is by Richard T. Cahill, 466 Albany Avenue, Attorney Cahill's son, who was third on the list, and is in behalf of himself "and others similarly situated." The order is sought "under Article 78 of the Civil Practice Act. Application was signed yesterday by Supreme Court Justice Harry E. Schirick.

Attorney Cahill, when he appeared before the aldermen, said he represented Otto A. Short, of 40 Second Avenue, first on the list, and Robert A. Brown, of 218 Catherine Street. Short later said that Cahill had been authorized to represent him.

It was indicated this morning that some of the police commissioners had not received the (Continued on Page 2, Col. 5)

Free Chest X-Ray Project Continues

Thursday's chest X-ray examinations numbered 981. There were 601 done at the Wall Street location and 380 at the Municipal Auditorium.

One X-ray Unit completed two days in Ward One on Wall Street, front of Newberry's and Kingston Theater. Total for this location was 1105.

Housing Study Planned Survey to Consider Dwellings for Aged

The Kingston Housing Authority has begun a survey to determine the possibility of low cost housing construction for exclusive occupancy by the aged, it was announced today.

George E. Yerry Jr., chairman, said Alexander Yosman, executive director, was directed to conduct the survey following a meeting of the Authority held Wednesday evening.

The action was prompted following the recent visit of Herman D. Hillman, regional director of the Public Housing Administration, who met Tuesday with Mayor Edwin F. Radel, Yerry and Yosman to inspect Colonial Gardens, the low rent housing project on Flatbush Avenue. Housing for the aged was discussed at that meeting, Yerry said.

Ellenville Boy Loses Life, Six Others Injured in Crash

A 14-year-old Ellenville boy was injured fatally Thursday and six companions were injured—four of them hospitalized—on Route 42, a quarter of a mile south of the village of Fallsburg, as they were returning from a school soccer game, Ferndale state police reported.

Dead was Peter Earl Wright, of 26 Warren Street, son of Earl and Dorothy Wright, a ninth grade student at Ellenville Central School.

Conditions Listed

Injured and reported by their physicians as in "apparently good" condition today at Monticello Hospital were:

Cindy Wright, 16, the dead boy's sister, possible fractured right knee, contusions and abrasions.

John Spadaro, 16, of 18 Bartlett Street, the driver of the car, possible fractured right foot, multiple contusions and abrasions.

Pamela Westbrook, 16, of Roslyn Street, laceration of scalp, contusions and abrasions; Harry Hyatt, 15, of 23 Elm Street, shock, contusions and abrasions.

Treated and discharged were Patricia Monahan, 16, of 8 Warren Street, shock, contusions and abrasions, and Enid Tannenbaum, 15, of 15 Maple Avenue, who suffered similar injuries. All are students at Ellenville Central School.

Dr. S. G. Holtzman, Sullivan County coroner, said young Wright died of a fractured skull with massive subdural hemorrhage and laceration of the upper lobe of the right lung.

Troopers said the boy died a short time after he was removed to Monticello Hospital by ambulance.

The students were returning from a soccer game between Ellenville and Fallsburg High Schools on Route 42, a quarter mile south of the Fallsburg traffic light, in front of the Ambassador Hotel.

Lost Control on Curve

They were passengers in a 1957 station wagon, owned by the Shadowland Theatre, Ellenville, and operated by Spadaro. State police said Spadaro was headed north and rounding a left curve when he lost control of the car.

Troopers said the car swerved back and forth, went off the

road, struck guard rails and trees, traveled back across the road struck guard posts and a bank. All the occupants of the car were thrown from the vehicle.

Ferndale state police said today possible criminal action may be taken pending an investigation.

Born March 8, 1944 at Ellenville, young Wright was a member of the student council in the school there and had recently reported as a candidate for the high school basketball team. He also was a member of the Ellenville Methodist Church.

Funeral Monday

Surviving besides his parents and sister are his paternal grandfather, Marvin Clark of Summitville, and his grandparents, Frank and Margaret Brought of Ellenville.

Several aunts, uncles, nieces and nephews also survive. Funeral services will be held from the Loucks Funeral Home, 79 North Main Street, Ellenville, Monday at 2 p. m. with the Rev. Clifford Albertson, pastor of Ellenville Methodist Church, officiating. Burial will be in Fantinekill Cemetery.

Criticism of

ocrats and Republicans. The legislature unanimously abolished Commissioner Reuter and his operations. The public well knows that Governor Harriman who is the most partisan Democratic in the State of New York repudiated Reuter by not naming him to the newly formed State Crime Commission despite, I understand, the expectations of Commissioner Reuter to be so appointed. Acting Commissioner Reuter's report on the District Attorney's Office to the Governor, if indeed there ever was one, must have been submitted to the Governor of the State of New York before May 1st when Reuter was abolished. The Governor evidently thought so little of the "report" of Reuter that he never released the report. I will accept Governor Harriman's action in refusing to make public any report of my office as sufficient proof that it lacks any merit or validity. No further comment is needed.

"The United States alone has set off about 40 nuclear shots during this period.

"Considering this, the Soviet government cannot allow the security interests of the Soviet state to suffer because of such actions of the United States and the United Kingdom."

"Tass is authorized to state that, although forced by the actions of the United States and Britain to resume its own nuclear tests, the Soviet Union will in the future continue its struggle for immediate and universal termination of such tests."

Talks are to begin among Soviet, British and American representatives at Geneva Oct. 31 to seek an agreement on suspending tests under adequate safeguards.

Kiwanis to Stage Kapers 3 Nights

The annual Kiwanis Kapers, to be presented at the George Washington School auditorium on October 27-28-29, was the subject of a review at the weekly Kiwanis meeting by Donald MacIssac, general director of the event.

"The Roarin' Twenties" is the name of this year's production, and the condensed explanation of the plot and the cast of characters indicated that the 1958 production "will equal or surpass last year's Li'l Abner, according to a Kiwanis spokesman.

To Reserve Seats

The presentation will be showing for three nights this year instead of the usual two, due to the transfer to George Washington School auditorium which is smaller than the High School which is in the process of being renovated.

Seats for "The Roarin' Twenties" will be at a reserved basis with exchanges to be made at the Flanagan store at 333 Wall Street. Tickets will soon be on sale by members of the Kiwanis Club, and rehearsals for the show are already underway.

The entire proceeds of the annual Kiwanis Kapers is utilized for scholarship and charitable purposes, with the cost of the production being underwritten by the Kiwanis members through the medium of patron tickets.

60 for Consolidation

President George Silkworth reported to the luncheon meeting that the results of the postcard poll taken among Kiwanis members on the question of consolidation showed 60 in favor of consolidation and 28 against the proposition.

The president also reported on the Buffalo convention and commended the Public Relations Committee for the display of local publicity and the workings of the various Kiwanis committees which were presented to the state convention through the medium of a sandwich board.

Criticizes Number Choice

Cahill contends that five men were appointed as patrolmen in June to start duty on a probationary basis Aug. 1. They were two, four, five, six and seventh on the list. Numbers one and three, he notes, "were passed and not appointed."

At another June meeting, he noted, numbers nine, 10, 12, 13, 14 and 15 were named and one, three, eight and 11 were passed. All appointments after eight, he contends, "were wholly illegal, and void, and an evasion of the civil service law and rules, particularly and specifically Rule 8, of the Rules for Classified Civil Service, which bans and prohibits the passing of more than two names from the top of an eligibility list."

Appears Before Board

Cahill also noted that he had "pointed out the violation" at a meeting of the civil service board Aug. 5, and he asked that certification of the payroll be denied in accordance to Section 20 of the Civil Service Law "until the said illegal situation was corrected." He was assured it would be done, he said, and "that upon information and belief, the payroll was held up for a time beyond the first pay date."

Despite all "of the foregoing and the illegality of the same," he contends, the board on Sept. 10 appointed 16, 17, 18, 19 and 24, and passed one, three, eight, 11, 20, 21, 22 and 23. The full list contained 26 names.

Says He Was Told to Sue

Cahill said he had talked to Commissioner Singer "on or about" Sept. 13 about the situation, and was told that he could do nothing without permission of Mayor Radel, who heads the board. On Sept. 15, he said, he spoke to the mayor and was informed that the latter and the board "would do nothing and the petitioner's attorney could sue, bring it to the attention of the district attorney, or whatever else he chose to do." He also noted his appearance before the aldermen.

Despite "the foregoing, and the illegality of the same," he holds, on Sept. 17 the police board named 20, 21, 22 and 23 from the list, with one, three, eight and 11 passed.

The application is made on an order to show cause, instead of the usual notice of motion, he said, because "time is of the essence." The order is to be sought at a special term of Supreme Court Oct. 10, at the opening of court, or as soon as counsel can be heard.

Safety Book for Schools

The New York State Bridge Authority, advancing its "safe driving program" announced today that it is distributing a book on the subject to 52 Hudson Valley schools. The book, titled, "I Drive the Turnpikes . . . and Survive," will go to high schools who have indicated they could use it either in driver education classes or in other programs accounting safe driving operations.

The book was written by Paul Kearney in 1956 and was published by Ballantine Books. It will go to schools between New York and Albany.

Stolen Car Found

The car of Richard Wells, of 143 Greenhill Avenue, reported stolen during the night, was found by Officers Guyson Berger Sr. and Harold DeGraff, abandoned at Washington Avenue and North Front Street this morning. It was reported out of gas.

Wooden Nickels Are Up to 7 Cents Now

MONTCLAIR, N. J. (A*)—The cost of wooden nickels has gone up to 7 cents.

The local Chamber of Commerce has been selling 5-cent pieces made of pine wood to merchants. They will be handed out free to customers after Oct. 16 as part of a promotion scheme.

The nickels are worth a nickel each to the customers. But what with the cost of pine wood and handling, merchants have been paying \$7 for a hundred of the tokens.

Saugerties Methodist Men Set Panel Talk On Local Schools

Methodist Men's Club of Saugerties Methodist Church will have its monthly meeting Monday night, following a covered dish supper at 6:30.

President David Jones, requests that all men of the church be present for this first meeting, even if they are not new members of the group.

A vital and stimulating program has been planned by the program chairman, George Hilbrandt. The subject, "Problems and Opportunities of the Saugerties Central School System," will be discussed by a panel of experts. All members of the church and Men's Club are: Dr. Grant D. Morse, superintendent of Schools; David Cunningham, principal of Saugerties Junior and Senior High School, and Norman Bolinder, principal of Main Street Elementary School.

There will be a time for informal discussion, with questions and answers, following the presentation by the panel.

Area Lutheran Pastors At Synod Installation

The Rev. Paul Henry, pastor of St. Paul's Evangelical Lutheran Church, Red Hook, and president of the Hudson Conference of the United Lutheran Synod of New York, and the Rev. Walter Cowen, newly elected pastor of the Evangelical Lutheran Church of the Atonement, Saugerties, were among the representatives of area Lutheranism attending the installation service this week for the Rev. Alfred Beck, DD, new head of the synod.

Dr. Beck, pastor of Reformation Lutheran Church, Rochester, was elected in June to head the 250,000 member body which covers New York State and all of New England. He thus became the president or bishop of the second largest synod of the United Lutheran Church.

The service was held at St. Peter's Lutheran Church, New York City. The Rev. Franklin Clark Fry, DD, president of the United Lutheran Church in America and president of Lutheran World Federation, officiated at the service.

Youth Fellowship Speaker Named for First Fall Meeting

REV. GARDNER TEWKSBURY

The Protestant Youth Fellowship will hold its first fall meeting Sunday at 6:30 p. m. at the First Presbyterian Church, Elmendorf Street. The Rev. Gardner Tewksbury of New York City will be the guest speaker.

The Rev. Mr. Tewksbury was born of missionary parents in North China. He was educated and married in China, and spent over 40 years there. He began work in China in 1919 when he assisted in a survey of the Christian Movement in China conducted by the National Christian Council (then known as the China Continuation Committee). Two years later he and his wife whom he met in Shanghai became missionaries of the Presbyterian Board on the field.

In 1951, the Rev. Mr. and Mrs. Tewksbury were appointed to a spiritual ministry among Chinese students and former students in this country, first in New York City and later in the northeast area outside of New York. Others joined them, and the work came to be known as the Chinese Students and Alumni Services, jointly sponsored by the United Board for Christian Colleges in China, and the National Council's China Committee, with work in six large areas.

The Rev. Mr. Tewksbury is a graduate of Chinese Christian College, the University of Nanking, and of Yale University. He has also taken graduate courses at Columbia Teachers College, Union Theological Seminary, and the Biblical Seminary, New York. Mrs. Tewksbury was a teacher, then principal of the Bridgman Girls' High School in Shanghai. She is an alumna of Mt. Holyoke College.

On Oct. 21, 1956, after 35 years as a layman, the Rev. Mr. Tewksbury was ordained to the ministry by the Presbytery of Jersey City. He and his wife are still carrying on a pastoral ministry among Chinese students and professionals in the New York Area, under the new United Presbyterian Church in the U.S.A., as a part of its Ecumenical or World Mission.

The public may attend the fellowship services.

Union Lists Points

NEW YORK (AP)—Union Negotiators have asked the General Electric Co. to institute a moratorium on layoffs, the farming out of work and the decentralization of GE production plants.

The request was made Thursday by representatives of the AFL-CIO International Union of Electrical Workers (IUE).

Contract negotiations were adjourned to next Wednesday.

Thursday's negotiations were attended by two mediation commissioners of the Federal Mediation and Conciliation Service, John Murray of Philadelphia and John A. Burke of New York City.

New NLRB Policy

WASHINGTON (AP)—From now on, the National Labor Relations Board will handle cases involving many smaller businesses formerly outside its jurisdiction.

The NLRB announced new standards specifying reduced amounts of annual business a firm must do to be subject to supervision by the board in labor dispute cases.

The agency said the new rules are effective immediately.

Reds Seek Comeback

RIO DE JANEIRO, (AP)—Brazilians elect a new Congress and pass judgment on a comeback bid of the outlawed Communist party today. The Reds seek recognition as a major political force through support of various candidates, chiefly Laborists.

The Communists apparently feel that the outcome of the election will determine whether the 1947 legal ban on their party is to stand.

Move Against

Rosenblum and Lamb, Attorney John E. Egan of counsel, represented the petitioners. Attorney Vincent G. Connelly of Kingston was counsel to the Ontario Central School district while Attorney Ernest E. Schirmer of Saugerties represented a group known as the "Woodstock Committee of 500 for Centralization with Ontario."

Banker Is Named Foundation Head

NEW YORK (AP)—John J. McCloy, banker and former U.S. high commissioner in Germany, has been named chairman of the board of the Ford Foundation, world's richest philanthropic organization.

McCloy, 62, head of the Chase Manhattan Bank, was appointed to succeed H. Rowan Gaither Jr., who will remain a member of the foundation's board of trustees. He is returning to the practice of law in San Francisco.

Would Shelter

sences from school which must interfere with your state aid, to say nothing of the inefficiencies of holding class when the pupils are well damped down, if not sleeping.

"Some of you may be wondering just why I concern myself with this matter when my own children are still some years away from the problem described. Several years ago, one of our friends who had children in high school called our attention to the situation in a very acid way, and we discounted the story somewhat, as this parent was doing battle with the school authorities at the time on quite different grounds. Then we heard the problem mentioned by several others, and a year or so ago one of the members of the school medical staff happened to express herself to me at considerable length and with a great deal of heat about it.

Says Teacher Called

"Yesterday morning, when it was raining very smartly, I was called by one of the teachers in the high school, by phone, who mistakenly thought that I was connected with the new high school parents and teachers organization which is just being formed. This teacher was most emphatic that something should be done to correct the situation and was insistent that I should be down there in the school to see in what condition the students were showing up for their classes after a hike from one of the other buildings. So, you can see that the matter has been presented to me repeatedly and forcibly. If steps can be initiated at this point to relieve the situation perhaps my children, as well as Dave Kline's and Andy Guldai's and George Schneider's young ones, and thousands of others around in the city will benefit.

I would like respectfully to suggest to the members of the board that they give serious and repeated thought to the possibility and advisability of including among the very many building projects which face them some sort of covered walks or passages which would connect the fieldhouse with the main building, and the main building, together with the vocational building, with a roof over the walk along the vocational building to the extent necessary for access.

"One of the high school parents with whom I discussed the problem this morning felt that the solution should be a sort of 'Bridge of Sighs' at the second floor level under which automobile traffic could pass.

"However, it might be more practical for many reasons to construct at ground level and to frankly block off the narrow car lanes on both sides of the main high school building which, as we well know, were not planned for 1958 or 1960 traffic. The uptown 'alley' passing between the buildings and buttonhooking back behind the school is an obvious hazard as it now exists, and there must be grave risks now in having wheeled traffic between high school and field house when the students are changing classes.

New Paltz Area Methodist Notes

Communion Sunday

World-Wide Communion Sunday has been observed internationally since 1938 on the first Sunday in October. It stresses the world fellowship and unity of all Christians.

World Wide Communion Sunday services will be held Sunday in each of the three churches of the New Paltz Methodist Parish, at the regular hours of worship. The observance will begin at 8:30 a. m. in the New Paltz Church. The next service will be in the Lloyd Church at 9:15 a. m. The 11 a. m. service takes place in New Paltz and the schedule of services concludes with the communion service in Plutarch at 2 p. m.

The Rev. Willett Porter, who will officiate at these services, emphasizes the importance of a conscientious effort on the part of every member of the parish to affirm their faith by attendance at one of these services. The Rev. Mr. Porter will be assisted by Peter A. Jacobs, assistant minister to students, and Ernest Horsbell, local preacher. The organists will be Miss Mary Lou Dunham, Mrs. Eugene C. Trautwein, and George Meyer.

College Choir Rehearses

The first rehearsal of the newly-formed "college choir" of the New Paltz Methodist Church was held Monday evening. Miss Mary Lou Dunham is director of the choir with Miss Carol Weber, accompanist. The group will rehearse Mondays 7 p. m. and will sing in the future at the 8:30 a. m. service of the church Sunday. Other college-age young people interested in singing in the college choir are invited to attend the next rehearsal or contact Peter A. Jacobs, assistant minister to students.

Rummage Sale

The fall rummage sale sponsored by the New Paltz Methodist Church will be held Friday and Saturday, Oct. 10 and 11 in the American Legion Hall, Church Street. Articles for the sale may be left at the church or parsonage or brought to the Legion Hall Thursday afternoon, Oct. 9.

Suppers Scheduled

Tickets are now available for the forthcoming Black-Diamond Supper held each fall in the New Paltz Methodist Church Social Hall. Turkey will be the main course. The date is set for Wednesday, Oct. 29, with servings at 5:30 and 7 p. m.

The traditional harvest festival supper and fair sponsored by the Ladies' Aid Society of the Lloyd Methodist Church will be held Saturday, Oct. 18, in the Lloyd Church Hall, New Paltz.

Highland Road. Serving of the turkey supper will begin at 6 p. m. Tickets may now be purchased from members of the society or the church.

MYF Party Saturday

The junior high and senior high youth fellowships of the New Paltz Methodist Parish will hold an Autumn Leaves Party Saturday at 8 p. m. in the social hall of the New Paltz Church. The planning committee for the event includes Allan Pritchett, chairman; Charles VanNostrand, Robert Martin, Miss Linda Ronk, Miss Linda Huber and Miss Gail Valone. All interested in the MYF program in the parish may attend.

Baptisms

At the Rally Day service last Sunday in the New Paltz Methodist Church the Sacrament of Baptism was administered to the following: Terri Lee Witz, daughter of Mr. and Mrs. Herbert Witz; Wendy Lou Amson, daughter of Mr. and Mrs. Ralph P. Amson; Lawrence Robert Marks, son of Mr. and Mrs. Robert Marks; and Randall Francis Marks and Rosemarie Marks, son and daughter of Mr. and Mrs. Gilbert Marks, all of New Paltz.

New Members

New members will be received into the fellowship of the New Paltz Methodist Church at the 11 a. m. service Sunday, Oct. 19. Those contemplating membership may contact the Rev. Mr. Porter.

District Conference

The annual fall conference of the Newburgh District of the Methodist Church will be held on Monday, Oct. 13 in St. Paul's Methodist Church, Middletown. Those planning on attending will contact the Rev. Mr. Porter immediately.

Transient Worker Is Indicted in Ax Slaying

LOCKPORT, N. Y. (AP) — James Ballard, 38, has been indicted on a charge of second-degree murder in the ax slaying of a companion.

Ballard, a transient worker, was charged with killing John Zielinski, 68, who worked with him at a cold storage company. Zielinski was found last Sept. 23 in a pool of blood on the floor of a shack the two men occupied in nearby Wilson.

A bloody ax was found near the body. Police said Zielinski had been struck on the head. Ballard has denied the killing. A Niagara County grand jury returned the indictment Thursday.

Dedicate School Building Sunday

New Paltz Reformed Church Observes 275th Anniversary

In commemoration of the 275th anniversary of the founding of the Reformed Church of New Paltz by refugees from religious persecution in France in 1683, a new Sunday School and Educational Building will be dedicated this weekend at New Paltz.

The consistory of the church extends a cordial invitation to all to join with the members of the congregation in observing the event.

Ceremonies will get under way Saturday afternoon, October 4, at 2:30 o'clock with the laying of the cornerstone and will be continued on Sunday morning at the 11 o'clock worship hour with the 275th Anniversary service with commemorative Litany in the church.

At 2:30 o'clock Sunday afternoon there will be the dedication of the school which is to be known as "the School of Christian Faith and Practice." A reception will be held in the lounge and a tour of the new building will follow the dedication service.

CARE Head Speaker
Dr. Harold Miner, president of CARE and vice-president of Manufacturer's Trust, New York City, will give the main address at the laying of the cornerstone on Saturday, his subject being "Let's Try Christianity."

A small log cabin in 1683 served as both the first church and school for the early settlers. When the old stone houses along Huguenot Street were being erected, the settlers found need for a larger and more sturdy church and in 1717 the first stone church structure was erected. Rapid growth made a larger edifice necessary in 1773 and only 70 years later a larger brick church was built and it is now a part of the nave of the present church. Today the congregation worships in an exquisite church of Georgian colonial architecture and so outstanding is its lines and form that it has brought appreciative visitors from abroad, among them Queen Wilhelmina of Holland who stopped off to view the church during a visit to America.

The new building which will be dedicated Sunday afternoon was designed by Bernard Guenther, architect, who using the sloping conformation of the land, has created a unit with colonial brick, hand-split shingles and rough, plank siding, which fits into the atmosphere of the old street with its old stone houses, and yet makes use of functional design.

Sloped Roof
The western end is formed by the spacious lounge with high sloping roof after the manner of Normandy stone houses on the street, wide bay-window facing west, and large fireplace on the north. The south side, seen from the street, is marked by a large Celtic cross extending the entire height of the building in brick bas-relief. The quadrants of the nimbus will be set in heavy chips of colored glass. This room will be used by different organizations of the church for social meetings. It has a kitchen attached. It is also adapted for use as a chapel for smaller religious services.

At the east end of the building are four large class rooms and two smaller rooms on split-level looking for all the world like New England salt-box style. Connecting the two wings in the main section of the building containing six class rooms, a church office and a minister's study. Underneath this area is a large parish hall. The building is heated by a five zone hot water system installed by John Miller. Electrical work was done by Frank Harp & Son.

All rooms are connected with the office with a two-way sound system built and installed by Perry Williams. Abram Paradies took care of the grading and digging the driveways and parking area.

Materials for the building, to the extent possible, were purchased locally. A. P. LeFevre & Son and the New Paltz Lumber Company. Painting and decorating is being done by members of the church under direction of Consistoryman Richard Culver. The general contractor was Lawrence Morse, with Elder Arthur Kurtz as chairman of the building committee.

The following program will be followed:
Saturday, Oct. 4 at 2:30 p. m.:

Today's Business Mirror

By SAM DAWSON

AP Business News Analyst
NEW YORK (AP)—Some 46 million homeowners in the United States are facing up today to another economic fact of life—from now on the heating bills will start to mount.

Higher prices this year are likely in many areas as production costs and transportation charges rise. And the chances of price wars benefiting home owners grows slimmer as more factories reopen and eat into fuel stocks.

Fuel Oil Ahead

But the householders' struggle to get up the approximately five billion dollars to meet this winter's home heating bill is relatively mild compared with the battle among the various types of fuel striving to get a bigger share of the home owners' outlay.

Fuel oil dealers claim the biggest share now—almost half. But natural gas has cut in rapidly on this since the war and now heats around 13 million homes for more than 1½ billion dollars. Coal still holds a market of nearly three million homes and has new heating gadgets out to entice the home owner.

Still tiny, but coming up fast in the last five years, the electric heating system makers now claim nearly one-half million homes and boast they will make that an even million in 2½ more years. Heat pumps are used by 25,000 homes.

Natural Gas Gaining

The battle between fuel oil and gas is pointed up by M. J. Rathbone, president of Jersey Standard Oil, who says, "Natural gas has grown from infant to giant proportions as a competitor" since the war and offers a real challenge to the 40,000 individual oil heating companies in the field.

The National Oilfield Council says oil's fast postwar growth gives it nine million customers in centrally heated homes and seven million more in noncentrally heated.

Expense Big Factor

The American Gas Assn. pre-

dicts that new gas lines will soon bring gas heated homes well above 13 million.

The Anthracite Information Bureau points out that in addition to the nearly three million homes there are thousands of schools, apartment houses, public buildings and industrial plants to be heated this year.

Electricity's big handicap in the race has been expense. But Commonwealth Edison of Chicago has just put into effect a new low rate for home heating and has a big drive under way. This heating form is most popular in suburbia and in country homes beyond the gas lines. But Commonwealth officials say they are also gaining customers in Chicago because of the reported ease and cheapness of installation.

But this season the big battle is still between fuel oil and natural gas, with price and convenience and availability among the talking points.

Ex-Guardsman Held For Equipment Theft

NEW YORK (AP)—A former member of the National Guard was arrested Thursday on charges of stealing military equipment valued at \$2,800 from a National Guard armory on Long Island.

H. G. Foster, special agent in charge of the New York Office of the FBI, identified the prisoner as Louis Phillip Almeida Jr., 21, of Huntington Station, N. Y.

Almeida, charged with larceny of federal property, is accused of stealing 13 M-1 .30 caliber rifles, three Browning .30 caliber machine guns, two launching rockets and four pairs of binoculars on Sept. 22.

Foster said Almeida stole the property from the 107th Infantry of the New York National Guard, Huntington Station, where he served for several months prior to 1957.

If convicted, Almeida could receive up to 10 years imprisonment, a \$10,000 fine or both.

Food Sale

The New Hurley Home Bureau will hold a food sale at Edsall's Drug Store Friday at 10:30 a. m. All members are requested to have food in by the time of the sale.

The Ulster County Committee of the American Legion Auxiliary is again sponsoring a magazine subscription campaign to raise funds for hospital equipment to be loaned to residents of Ulster County for home use. In Wallkill the equipment is stationed in the Health Center. The canvassers will carry letters of introduction signed by county and local officers, among them will be Mrs. Pauline Auchmoody, president of Rose-Sheele Unit of the Ladies' Auxiliary. Mrs. Charles Holland will be one of those who will call at the homes in the village, beginning this week.

The Wallkill Women's Club will open its fall season with a meeting at the Community Room of the Wallkill Valley Bank Friday, Oct. 10 at 7:30 p. m. The meeting will be conducted by Mrs. Ira Wickner, president of the club. Mrs. John Sloan, program chairman, will introduce the speaker, Burke Boyce, author, educator and lecturer, who will speak on the history of the Hudson Valley, a subject in keeping with the celebration of the 350th anniversary of Henry Hudson's voyage up the river that bears his name. Mr. Boyce, the author of three books, "Cloak of Folly," "Miss Mallet," and "Perilous Night," is a past headmaster of Storm King School and lectures on Shakespeare. Women of the area interested in joining the club may attend the opening meeting. Mrs. Herman Mahlandt is membership chairman, and will conduct a reception for all new members. Mrs. Jacob Kobelt is social chairman for the evening.

Final plans will be made at the meeting for the Gay Nineties family night box supper to be held Oct. 22 at 6:30 p. m. at the Shawangunk Church Hall. It is to be a costume party. Husbands and guests of all members are also invited.

Newspaper Vital To Agriculture

(Charles Shuman, President American Farm Bureau)

Preservation of our priceless freedoms hinges on the people's right to know and their duty to know. It is in this area that newspapers of this nation play their most vital role.

Newspapers are deserving of the tribute implied in the theme of National Newspaper Week, "Your Newspaper—Guards Your Freedom."

News, accurately and faithfully reported, is essential to public knowledge—and successful self-government demands an informed and interested citizenry.

Editorial and interpretive comment in newspapers does much to stimulate thought and fight public apathy. By reporting the pros and cons of issues, by giving space to readers' opinions, newspapers serve a necessary function as a public forum.

We in the agriculture believe most profoundly in the principles of freedom, initiative, opportu-

ity—hallmarks of the American way of life.

Certainly those who produce the nation's food and fibre benefit from the agricultural and market news in newspapers. But, as much or more, they find valuable the news and comment on local, state, national and world affairs which help them form opinions and take actions, both as individual citizens and collectively through their farm organizations, which will help keep freedom alive and meaningful.

It was with infinite wisdom that the founding fathers of this great nation made provision in the Bill of Rights of the Constitution that "Congress shall make no law . . . abridging freedom of speech, or of the press."

As long as the press remains free, newspapers will continue to champion human dignity and the rights of man. In a world beset by communist tyranny, the battle for freedom is a continuing one in which we all must join our time, talent and efforts day by day, year by year, generation by generation.

Moscow May Be Easing Up on Formosa Crisis

By WILLIAM L. RYAN
AP News Analyst
WASHINGTON (AP) — It will be a remarkable thing if the Communists—with all the initiative in their hands—permit any rest for U. S. policy in the Far East.

But the possibility by no means can be ruled out. Already there are indications Moscow anticipates a gradual easing of the Far East crisis.

The Soviets seem to be preparing for that, getting ready to swing the spotlight slowly back again to the Middle East.

The Communists do not have control over the rise and fall of crises in the Arab East. Their mode of operation there is to take fullest advantage of crises which do arise.

No M-E Control
The Communists do have control over the Formosa crisis. When they want to start it going, they have only to order the shooting to begin. When they want it eased, they have only to ease off the shooting.

By pouring on pressure north, the Red Chinese might logically hope to wrest at least the offshore islands from the Nationalists. The United States clearly does not want to go to war over the islands. But there are a number of elements in the crisis which can spell

danger to the Communists themselves.

Could Damage Relations
Not the least of these elements is the possibility that the situation can damage relations between Moscow and Red China.

In an aside at his Wednesday news conference, President Eisenhower wondered why, if the Nationalist-Communist strife was really civil war, Soviet boss Khrushchev should say the Soviet Union might participate in that war.

However, Khrushchev has seemed rather anxious to avoid giving the impression the Soviets would join Red China in a war on the Nationalist Formosa regime. He said an attack by another power on Red China would be considered an attack on the U.S.S.R. The Peiping-Moscow treaty requires that.

Moscow probably would be unwilling to underwrite a real risk of war between Red China and the United States. The Soviets, however, still are in a position to persuade the Red Chinese to ease the crisis. Without Soviet help, Red China would find a long-sustained shelling of the offshore islands (now in its second month) an expensive proposition.

More Fertile Field
The Middle East offers a more fertile field for Communist endeavors. There the Soviets are not directly involved. They can keep their own situation relatively secure. And the Middle East does not raise the problem of aggravations between the two big Communist allies.

American and British troop withdrawals from Lebanon and Jordan may be a signal for the Soviets to concentrate the lion's share of the attention on the Arabs once again, for good reasons.

When Britain leaves Jordan, there's a good chance of a new Holy Land explosion. When the Americans leave Lebanon, a government which for all practical purposes is a revolutionary regime, will be in control.

There are evidences of a tug-of-war for power inside Iraq's revolutionary regime. The oil of Kuwait is of enormous economic importance to Britain, and the British will fight hard if Arab nationalist pressures threaten their presence in the little Persian Gulf sheikdom.

Slow Pullout Likely
Soviet Foreign Minister Gromyko apparently caught the significance of a single little word in the announcement of Britain's withdrawal plans. She would, said Britain, "begin" the withdrawal Oct. 20. In a U.N. speech, Gromyko called it stalling.

It's likely to be a slow and reluctant withdrawal, far too slow to suit the Soviets. Moscow hopes to apply the heat in the Middle East. The new explosion there, which by present indications could come some time around the turn of the year, cannot arrive too soon for Moscow.

Cooper Is President Of Savings Institute

Officers for the school year of 1958-59 have been selected by Capital District Chapter No. 131, American Savings and Loan Institute, a group which meets Monday evenings to study Savings and Loan practices.

Ralph M. Cooper, teller at the Home-Seekers' Savings and Loan Association of Kingston, has been elected president and Mrs. Alta L. Brace, teller at the Savings and Loan Association of Kingston, secretary.

Sessions are held each Monday from 7 to 9 p. m. at Kingston High School where instruction in matters pertaining to Savings and Loan business are given. N. Jansen Fowler, attorney for the Savings and Loan Association of Kingston, is the instructor and the course consists of a discussion of "Savings Accounts." The course, started in September will run for 13 weeks.

The sessions are for employees of Savings and Loan Associations from Kingston, Catskill and Newburgh. Presently enrolled for the course are employees from Catskill and Kingston.

Workers Still Out

Reuther Hails New GM Accord

DETROIT (AP)—General Motors and the United Auto Workers reached agreement on a three-year master contract Thursday night, but GM's vast industrial empire remained shut down today by a strike of its 250,000 UAW members.

UAW President Walter P. Reuther hailed the new national agreement as "good for the nation, good for the UAW and good for GM," but he cautioned that GM workers at 126 plants across the country were authorized to remain on strike to back up local demands.

A companywide walkout against GM preceded the new pact by 12 hours. Before that, there had been a rash of wildcat strikes. The old contract ran out four months ago and tensions had mounted in recent weeks under no-contract operations.

A major complaint at local levels has been so-called wage inequities in GM plants—different pay for similarly classified jobs. The national agreement establishes a fund into which the company will pay half a cent hourly for each worker to narrow differences.

Teenagers Held For Diner Theft

Local police claim solution of a theft at Cy's Diner, Broadway and East Chester Street, with the arrest yesterday of three teenagers, and another was picked up for the theft of an automobile last month.

Two 14-year-old boys of the Children's Home, East Chester Street, and one 11-year-old, of Highland Avenue, are charged with having entered Cy's Diner after a fire there last month. Some candy, other items, and cash, with a total value of all placed at about \$60, were reported taken.

They were held after investigation by Officers Charles McCullough and William Slover and will be dealt with as juvenile delinquents.

As the result of investigation by the same two officers another 14-year-old was held for the theft of a car owned by Smith & Kleinert Sales, Albany Avenue, last month. The car had been found abandoned behind the Roe Movers building, 519 Broadway, by McCullough and Slover on Sept. 16.

Wall Divides Them

Nixon, Adlai In Debate On Formosa

OAKLAND, Calif. (AP) — Vice President Nixon and Adlai Stevenson debated Formosa and other issues Thursday night—not face to face, but back to back.

The old foes and potential future rivals for president spoke in adjoining halls of the massive Oakland Civic Auditorium. A thick fire wall separated Republicans from Democrats.

Nixon told the Republicans the Eisenhower administration opposes turning the islands of Quemoy and Matsu over to the Chinese Communists. He said to do so would be a reward for aggression.

Says Policy Flexible

The vice president spoke of the administration's policy as being flexible toward negotiation if the Chinese Communists agree to a cease-fire. But he said it is firm against yielding to the use of force.

Stevenson told the Democrats that the United States should make clear it will fight to defend Formosa, but that the tiny islands off the coast of China are another matter.

He said Quemoy and Matsu historically always have belonged to China. He also said the present fight between Nationalists and Communists is a continuation of the Chinese civil war in which he believes the United States should not intervene.

850 Hear Veep

Nixon, winding up a campaign swing of his home state, spoke before 850 persons who paid \$100 a plate for dinner, and 1,000 more who chipped in \$5 each just to listen. He was flanked by Sen. William F. Knowland and Gov. Goodwin J. Knight, Republican nominees for each other's present jobs.

Stevenson attracted 1,400 to a fund-raising rally scaled at \$1, \$3 and \$5.

Nixon made several passing references to "orators in the other room," but did not mention Stevenson by name. Knight was more pointed. He described the "gentleman next door" as "some with holes in their heads, some with holes in their heads." A Stevenson hole-in-the-shoe picture became a trademark of the two-time Democratic presidential candidate.

Needles Nixon

Stevenson didn't hesitate to needle Nixon. He started right off by saying he didn't know which Nixon was behind the wall—"the new or the old." He criticized President Eisenhower and Secretary of State Dulles for "suddenly changing their positions" on Formosa, but observed, "Our agile vice president won't have much trouble catching up."

Nixon, on his side, denied there was either any change of policy or weakening of the administration position. This statement referred to Dulles' proposal for reducing the size of Nationalist forces on Quemoy and Matsu in the event of a dependable cease-fire.

Cronk to Be M-E Of Binghamton Press

BINGHAMTON, N. Y. (AP)—Erwin C. Cronk, 52, city editor of the Binghamton Press, today was appointed managing editor, effective January 1.

Cronk, city editor for 19 years, will succeed Fred W. Stein, 53, editor-managing editor, who will become general manager the same day. Stein, who will retain the title of editor, announced the appointment.

Stuart A. Dunham, 38, an assistant city editor since September 1957, was named city editor. Donald C. Johnson, 32, assistant to the editor, will succeed Dunham.

Robert J. Dillon, 55, chief editorial writer, was appointed editor of the editorial page.

Cronk, a native of Schaghticoke, joined The Press shortly after his graduation from Syracuse University in 1928. He formerly was a legislative correspondent, political reporter and an assistant city editor.

Dunham joined The Press in 1943, Johnson in 1951 and Dillon in 1937.

FRANK A. ADAMS
Frank A. Adams of 82 Crane Street has been named publicity chairman for the Democratic Party for the 1958 campaign. Chairman Kelly announced Thursday. Mr. Adams was chairman of the committee on arrangements of the recent visit and rally of former President Truman, Governor Harriman and N. Y. District Attorney Hogan, which took place at the Central Post Office building.

Rockefeller Urges Policy on Water

UTICA, N. Y. (AP)—Nelson E. Rockefeller said today that New York State must establish a policy to govern its water resources.

The Republican candidate for governor pledged that if he is elected he will devote his efforts toward conservation and development of water resources and abatement of water pollution.

Rockefeller discussed various aspects of state conservation of natural resources in a speech prepared for the annual convention of the State Conservation Council here.

"If elected," Rockefeller said, "I pledge myself to uphold and enforce the constitutional safeguards with which our state's unmatched forest preserve has been so widely surrounded."

Rockefeller said the State Department of Conservation "must be kept out of politics," and added: "I give my 100 per cent support to the Republican platform pledge to restore and maintain the department on a high professional level."

Rosendale Village To Study Change In Water System

The Village of Rosendale is studying a project to improve its water supply system by cleaning and replacement of existing mains, it was brought out at the village board meeting Wednesday night in the village board rooms.

Pressure problems were pointed out to the board by many complaints from residents.

It was brought out at the meeting that there is an ample supply of water at the village reservoir at Still Pond, but small size water mains have been slowing down the pressure.

Edward J. McCaffery of Kingston, consulting engineer commenting on his recent study of the situation, recommended that the existing lines be cleaned of corrosion and that two-inch mains in the system be replaced with four or six-inch mains.

McCaffery volunteered to secure estimates for the cleaning and replacement project for presentation at a special meeting of the village board.

Mayor Catherine O'Leary presided.

Polio Cases Drop, Michigan Still Up

WASHINGTON (AP)—The number of polio cases in the nation dropped last week indicating the 1958 peak may have been passed. State health departments reported 388 cases compared with a revised total of 431 for the preceding week.

The 431 cases in the week ended Sept. 20 had been the high for the year. The second highest total of 394 was reported in the week ended Sept. 13.

In announcing the state reports today, the Public Health Service said all areas of the nation listed fewer cases last week as compared with the week before except the east north central and east south central states.

The reported paralytic cases last week totaled 179, down from a revised figure of 221 for the week before.

Michigan continued to lead the states, with 159 new polio cases listed last week, up 30 from the previous week. However, 137 of these had their start in the weeks ended Sept. 13 and 19.

Illinois moved into second place among the states, listing 23 cases. Ohio, which had been second the week before with 46 cases, had a decline to 22 cases.

DeGaulle Spells Out Program to Resolve Rebellion

CONSTANTINE, Algeria (AP) — Premier de Gaulle announced today a five-year program for resolving the stubborn Algerian nationalist rebellion. The program calls for more and better jobs and housing for the local population, land distribution and better educational opportunities.

He told a cheering European and Moslem throng that last Sunday's constitutional referendum "engages Algeria and France forever."

Dashes Freedom Bid

He thus dashed hopes of Algerian rebels for independence. "There are only two routes open today — war or fraternity," he said. "Algeria, like everywhere in France, has for its part chosen fraternity."

Sunday's vote was also taken as an expression of confidence in De Gaulle to settle France's outstanding problems, and the Algerian rebellion is the greatest of these.

De Gaulle's program to settle the nearly four-year-old rebellion includes distribution of 625,000 acres of farm land to Moslem farmers, at least 10 per cent of public jobs to go to Moslems, housing for a million persons and greater educational opportunities for Moslems.

De Gaulle told a cheering throng of Frenchmen and North Africans at Orleansville Thursday that the overwhelming approval of a new French Fifth Republic in Sunday's constitutional referendum "proved that Algeria wants to remain with France."

The man who probably will become the first president of the Fifth Republic pledged an improvement in Algerian living conditions.

President Going For Physical Today

WASHINGTON (AP)—President Eisenhower enters Walter Reed Army Hospital today for a general health checkup before embarking on a stepped-up political effort in behalf of Republican congressional candidates.

Apparently hale and high-spirited, Eisenhower expects to get a good report from the doctors on his release sometime Saturday.

The President faces a fairly vigorous travel and speechmaking schedule starting next week. It includes a two-night stop in Denver, Colo., Oct. 18 and 19 — his first since he suffered a heart attack there three years ago.

Wife Victim of Test

DETROIT (AP) — Jaycee J. King, a bus driver, found a bullet on the floor of his bus and wondered if it would work. He tried it in a revolver he kept in his home. Doctors say Mrs. King will recover from a bullet wound in her cheek.

Proves He Can Read

MEMPHIS, Tenn. (AP)—A first-grader proud of his new-found ability to read obeyed a sign he saw. It said: "Pull." Principal John Crothers said 3,000 students at Kingsbury School promptly marched out in their first fire drill of the year.

The polling places in the City of Kingston will be open tonight until 10 o'clock. Saturday the hours are from 10 a. m. to 10 p. m. In the rural areas, the polls will be open Saturday from 7 a. m. to 10 p. m. Register to-night or tomorrow and be sure of your right to vote in the November election.

Pope Receives Spellman

CASTEL GANDOLFO (AP) — Pope Pius XII expressed pleasure today at receiving an American pilgrimage led by Francis Cardinal Spellman, archbishop of New York.

The 82-year-old head of the Roman Catholic Church appeared to be fully recovered from his slight weakness of voice of last Wednesday.

He spoke to 700 American men and women, who have been visiting European shrines.

Two Railroads File Notice of Proposed Hikes

WASHINGTON (AP)—The New York Central and Pennsylvania railroads have filed formal notice of proposed increases in passenger fares, effective Nov. 1.

It would be the third fare hike since early 1957. The Interstate Commerce Commission reported Thursday the proposal would raise first-class fares in sleeping and parlor cars by 15 per cent and coach fares by 5 per cent.

The notices covered interstate tariffs on file with the commission. The companies indicated similar increases would be sought on their intrastate services.

The two railroads raised coach and first-class fares 15 per cent in May 1957 and 5 per cent last January 1.

The proposed new mileage rates would be 6.52 cents first class and 4.02 cents coach class.

Esopus GOP Picks Reynolds, Others Temporary Heads

Approximately 125 persons attended an organizational meeting of the Town of Esopus Republican Club Thursday night at the town auditorium, Port Ewen.

Attorney Francis X. Tucker, a member of the Town of Hurley Republican Club, was the principal speaker and explained the purposes and mechanics of such an organization.

Jack Reynolds was appointed temporary chairman; Floyd Elsworth, temporary treasurer, and William Kelley, temporary secretary.

Temporary committees were named for the next meeting, which will be announced, when it is expected that Republican candidates for county office will be present.

Former City Judge Raymond J. Mino, candidate for district attorney, spoke on good government, and noted his "warm and friendly relations" with residents of the Town of Esopus.

Tremendous enthusiasm was manifested in the new organization and it was reported that the majority of those attending the meeting paid a one-dollar annual dues.

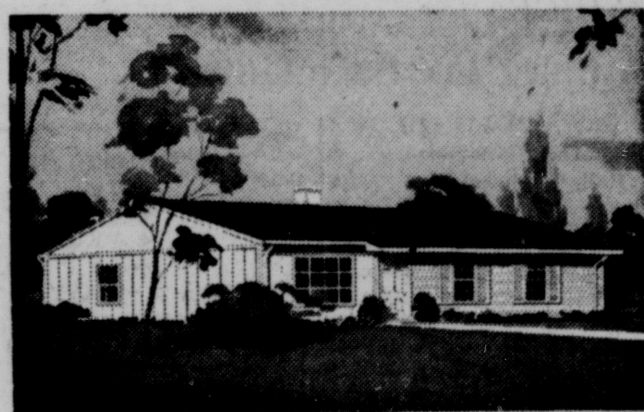

Residents of the township who wish to join the GOP club may register at the next meeting and be enrolled as charter members. Permanent officers will be elected at the next meeting.

Critic Praises Plate's Exhibit

Walter Plate's one-man show at the Stable Gallery, 924 Seventh Avenue in New York, has drawn high praise from Dore Ashton, art critic of the New York Times.

Writing of the young Woodstock artist's exhibit, Ashton said: "Walter Plate, like Ruben, is one of the younger painters who seem predominantly interested in abstract forms from nature. His paintings are composed in sequences of forms that tend to move on the surface, vertically, rather than into depth. They are mingled with linear notations, though magenta, orange and other areas dominate them."

"Plate's technique is thin but dense, with no air lightening the tone of his colors. In some instances, a rude, rather waxy quality appears in the paint. His essentially lyric conceptions are now and then marred by random details. Still, with these faults noted, he has strong feelings to express about his relation to nature and is working seriously and promisingly toward his goal."

Registration Days Set for Township

Registration Days for prospective voters will be held in the Town Hall on Saturday, Oct. 4, from 7 a. m. to 10 p. m. and again on Saturday, Oct. 11, from 1 p. m. to 10 p. m. for the residents of District One, Town Clerk Marjorie Harder has announced.

Similar hours will be held at Odd Fellows Hall in Bearsville for residents of District Two.

Induction Ceremony Planned for Rev. Todd

The Rev. Harvey I. Todd, former pastor of the Dutch Reformed Church of Woodstock, will be inducted as pastor of the new Reformed Church of Melville at a public ceremony on Sunday, Oct. 5, at 4 p. m.

He has extended a cordial invitation to all his former parishioners and friends in Woodstock area to attend.

The Rev. Todd retired last summer after 34 years as pastor of the Woodstock church.

Republican Rally Set for October 13

A Republican rally will be held in Odd Fellows Hall in Bearsville on Monday, Oct. 13, at 8 p. m. It has been announced by party leaders.

All town and county candidates, including Assemblyman Kenneth L. Wilson; Raymond J. Mino, candidate for county attorney; and Fred DuBois, candidate for county treasurer, will be present.

The public is cordially invited to attend and learn first hand the qualifications and plans of the several candidates.

Town Notes

The October meeting of the Town Board of Woodstock will be held Wednesday, Oct. 8, at 8 p. m. in the Town Hall with Supervisor Joseph Fitzsimmons presiding.

Members of Woodstock Fire Company No. 1 will hold Ladies' Night at the October monthly meeting, Monday, Oct. 6 at the fire hall. Plans for a special program are being made by president Robert Hastie and his staff of officers. An open house will be held in the fire hall on Saturday, Oct. 11, in observance of Fire Prevention Week.

The Woodstock Jaycees will meet with Mrs. Robert Hastie on Tuesday, Oct. 7, at 8 o'clock. The Overlook Home Demonstration Unit meets Wednesday, Oct. 8, at the home of Mrs. Ann Mayer at Brookside Acres.

Capital's Oldest Sen. Green Has Usual Walk on 91st Birthday

PROVIDENCE, R.I. (AP)—Spry and witty, Sen. Theodore Francis Green (D-R.I.), oldest man ever to serve in Congress, today entered his 92nd year whimsically considering wearing his toga to the century mark.

Green's 91st birthday was a bustling one. It included his usual daily two-mile walk, a family birthday party, the opening of countless congratulatory telegrams and a radio interview.

In the interview, the venerable chairman of the Senate Foreign Relations Committee said he didn't think the United States had the "slightest obligation" to defend Quemoy and Matsu, and that he would not be wise, adding: "We got in deeper than we should have."

Regarding U.S. recognition of

Red China, he said: "I haven't said whether we should or should not recognize Red China. It depends on the circumstances under which it is proposed. There are many arguments on both sides. It appears to me that the arguments in favor are stronger, but I am not committing myself now. It is rather ridiculous make-believe on the part of the State Department to keep on recognizing that island of Formosa as China."

Referring to his own political career, Green said: "If I run again in 1960, a six-year term will take me to the age of 99 and I expect to serve until I'm 100. Would it be right for me to run for a six-year term when I only want to serve one year?"

Then he chuckled: "Of course, I'm not to be taken literally."

The bachelor senator's longevity prescription—exercise and relaxation.

Distaff Side

A distaff is a staff which holds the flax ready to be spun off into threads. Since women of a family spun and wove, the distaff became the symbol of the female branch, or "distaff side."

18 Men on Case Autos Get Close Check for Leads In Gang Slaying

HACKENSACK, N. J. (AP) — Two cars believed to have been used in the gangland-style slaying of John J. (Baseball Bat) Johnny Scanlon were under close examination today.

Bergen County Prosecutor Guy W. Calissi had 18 men working around the clock on the case. Some of these dusted the late-model sedans for fingerprints in attempts to learn who had used them last.

Gunmen May Used One
One of the cars, a 1957 Lincoln, is believed to have been used by the gunman who killed Scanlon with a single shotgun blast as the ex-convict drove down a lakeside road Wednesday. A policeman found the car Thursday in underbrush at River Vale.

The other auto, a 1957 Oldsmobile, was later found a half mile away in a desolate part of Old Tappan.

Both cars were stolen in downtown New York City, Calissi said, and the New Jersey plates they bore had also been stolen. He declined, however, to give the names of the cars' owners.

Calissi said witnesses told of seeing the Lincoln pull abreast of Scanlon's car in Woodcliff Lake and of seeing a flash of flames, presumably from the shotgun blast.

Second Car Seen
He said they also spoke of seeing a second car, believed to be the Oldsmobile, leaving the scene in a hurry after the shooting.

Scanlon who had a record of waterfront violence, was slain "in an apparent vengeance killing," Calissi said.

The 38-year-old father of five had just dropped three of his children off at a Saddle River school and was on his way to New York City when he was shot in the neck.

Scanlon, who lived in Pearl River, N. Y., worked as a clerk for International Longshoremen's Assn. Local 971.

Three detectives from New York City and one from the Bi-State Water front Commission came to Calissi's office Thursday to confer on the case.

Insane Slayer Who Vowed Death Flees Hospital

PHOENIX, Ariz. (AP) — An insane slayer who vowed death to his victims' family escaped Thursday night from the maximum security ward of the Arizona State Hospital.

Police roadblocks were immediately set up in the Tucson area around homes of persons threatened by Paul Whalen, 30, after the 1957 slayings of Mr. and Mrs. Freelin Huff.

Hospital Supt. Samuel Wick said Whalen and another inmate, Harold Bill, cut a wire screen on the porch of the security ward and fled into the night. Bill, 48, of Phoenix, was described as not dangerous.

Whalen told police that he killed the Huffs, a wealthy southeast Arizona couple, on orders from heaven to stamp out evil.

At the time, Whalen threatened to kill relatives of the Huffs, the arresting officers and his wife who later divorced him.

Have Choice of 39 Sites

ATLANTIC CITY, N. J. (AP)—Army Engineers have selected 39 possible sites for major impounding dams and reservoirs in the four-state Delaware River Basin.

From these 39 possible sites, Col. William F. Powers said today, the Army hopes to devise a preliminary plan for development of the basin by next January.

This will serve as the framework for a comprehensive plan scheduled for completion in December of 1959.

Col. Powers, district engineer for the U. S. Army Corps of Engineers in Philadelphia, outlined work done thus far in the survey to the 21st annual meeting of the Interstate Commission on the Delaware River Basin (INCODEL).

Invitation Accepted

NEW YORK (AP) — It was a cinch for burglars to get \$2,300 from an advertising company's safe Thursday night.

The combination, neatly typed on a sheet of paper, was taped to the door of the safe.

The company, like many others, did this so its safe would not be ruined if burglars dropped in, police said.

The burglary was in the office of the Richard Robbins Advertising Co.

Dewey Ribs GOP For Lagging in Raising Funds

BOSTON (AP) — Former Gov. Thomas E. Dewey of New York, twice unsuccessful Republican candidate for President, Thursday night chided his party for lagging behind the Democrats in raising campaign funds.

The Boston Herald quoted Dewey as saying over the telephone from his Portland, Maine, hotel: "You'd think that what happened to the party in Maine would wake up Republicans in other parts of the country."

Referring to congressional races around the country: "It's the Democrats who have been getting the money to put on a campaign."

"The greatest enthusiasm among Republicans in this campaign has been in New York. But even there, as of Thursday, the Republican party has been unable to raise sufficient money just to get on television and carry its message over the state."

Dewey also was quoted as saying: "I agree with President Eisenhower enthusiastically in his statement this week the Republicans can win if they quit sitting on their hands."

"If the Republicans would get out and give the support that his really magnificent record deserves, President Eisenhower would be assured a majority in Congress."

Dewey is in Portland to address the Northeastern Section of the American Bar Association tonight.

Needle Still There

SCOTT AIR FORCE BASE, Ill. (AP) — A woman was to undergo surgery today for removal of a surgical needle apparently left inside her after an abdominal operation 12 years ago.

Mrs. Olive Schutt consulted a private physician about a stomach pain that had bothered her since 1946. He detected the needle lodged near the back of her abdominal wall.

Mrs. Schutt said she was operated on at the base hospital in 1946 for removal of a ruptured cyst. She was the wife of an Air Force man at the time. They since have been divorced.

Baseball has become as popular in South Africa as British cricket and soccer.

Kingston District Scouts Round-up Set This Weekend

Kingston District Boy Scouts will conduct its annual round-up today and Saturday at Forsyth Park.

The two-day program begins with registration at 4 p. m. today is designed to acquaint prospective Scouts and their parents with the different phases of Scouting. The public is invited.

Program highlights Saturday will include the "Scouting Trail," a display exercise showing the various phases of Scouting; a fishing demonstration; the construction of a 20-foot tower of timbers; an archery demonstration, an exhibition of firemanhood, drum corp exhibition by Troop 12 of Old Dutch Church and a slide showing on the Scout camp at Camp Tri-Mount, East Jewett by Jerry Blair, scout executive of Rip Van Winkle Council.

The closing ceremony Saturday night will begin at 8 o'clock with the district campfire and end at 9 p. m.

The Scouting Trail will be under the direction of Assistant Commissioners Robert Tremper and Richard Waltman with the help of the district commissioner's staff.

Boy Scout Troop 26 of Port Ewen School Association will exhibit a pioneering display and will construct a 20-foot tower of timbers.

Deputy Fire Chief George D. Matthews of Kingston Fire Department will conduct the firemanhood presentation. Equipment from Wiltwyck Hose Co., No. 1 and Excelsior Hose Co., No. 4 will be demonstrated.

The archery demonstration will be conducted by John Marsil and Michael Kemlage. Chet Joy, well-known area sportsman will give a fishing demonstration.

Following registration and supper Friday troop campfires are planned.

BABSON on BUSINESS

By Roger W. Babson

BABSON DISCUSSES AFRICA

BABSON PARK, Mass., Oct. 2.—When you read this column I expect to be on the high seas heading for Africa. You probably think this is a foolish thing for me to do, but following are some good reasons. In view of what I have said in these columns about gold, copper, uranium, oil, wool, and other metals, I am determined now to get first-hand facts. After so doing I will either correct my statements or confirm them through these columns. Africa is the best place to obtain such definite information today.

Outlook for Gold

I have made reference in these columns to inflation and to investment in gold stocks at this time. If we enter into real inflation, gold stocks will go up. They have already made advances; but if this country changes the price of gold, these stocks should go up much more. As U. S. laws forbid the purchase or sale of gold within this country as a commodity, investors are confined to buying the stock of gold mines. A few of these are in the United States; but most of our mines are fairly well worked out. Wise investors in gold stocks on this continent are confining themselves to Canadian mines with a long life.

When studying the statistics on gold I find that over one half of the Free World's gold comes from Africa. This gold is mostly from mines which are little heard of in this country. Certainly I do not intend to visit any gold or other mines and could not correctly judge them if I did. I will, however, be able to talk with men who do know the gold mines of Africa. Furthermore, these men will talk personally to me when they will not write "rankly." If our country continues on its crazy spree of spending, some of these gold stocks should present a good chance to make an honest dollar.

Outlook for Copper

Are copper stocks now a bargain? Copper as a commodity has fallen in price during the past two years from around 40 to a present price of about 26. Sometime during this current crisis in the metal, copper stocks will reach their low point, if they have not already done so. My favorite stock is Phelps Dodge. This stock, however, has only declined from a price of 76 to around 55 today. Africa is a large producer of copper and may ultimately determine

the price of the metal, and hence when to buy copper stocks.

I am taking with me a column on copper which I have already written and will correct while in South Africa; and I will then air-mail to Babson Park a corrected copy to be released therefrom. Let me add that three African copper stocks are already listed on the N. Y. Stock Exchange.

Uranium and Oil in Africa

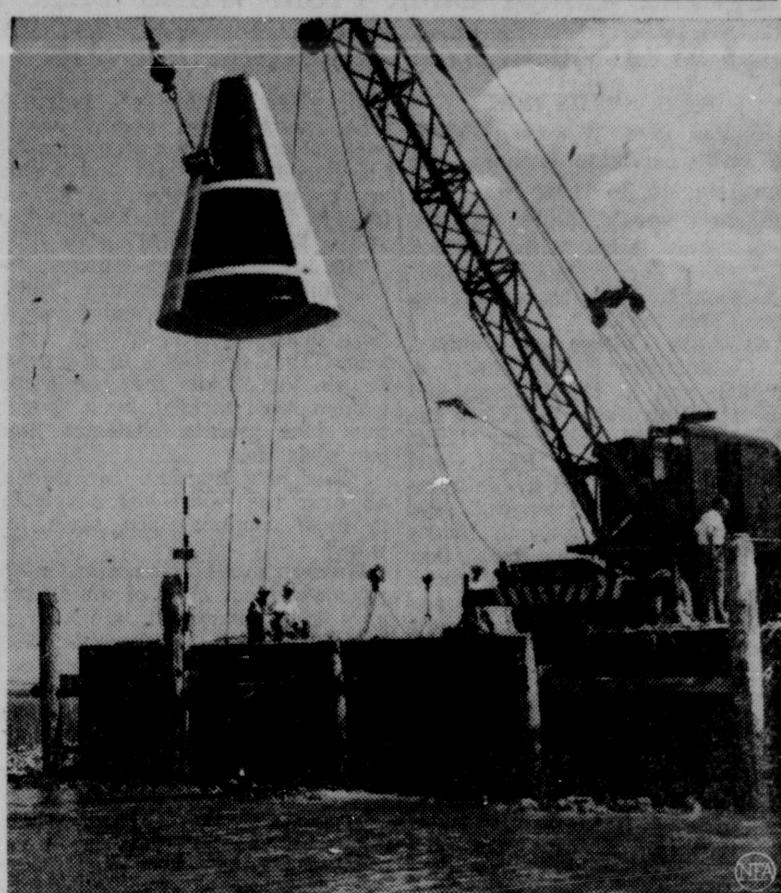

There are a few good uranium investments in properties located in the U. S. on the Colorado Plateau; but most good uranium mines on this continent are in Canada. Your broker should be familiar with such properties. The greatest amount of uranium, however, is now coming from Africa. Your broker probably knows African uranium mines only by hearsay. I expect to get the actual facts.

Certain large corporations are now frantically drilling for oil in the Sahara Desert as a hedge against Near East losses. I must visit Africa because the African uranium is largely in the tailing dumps of existing gold mines. They do not have real uranium mines such as exist in Colorado and in Canada. I do not intend to visit these dumps or the very interesting diamond mines. However, I will be able to talk personally with men who do know the prospects for both African oil and uranium.

Watch De Gaulle Operate

If France did not have large oil and mineral holdings in Africa, de Gaulle would never have accepted the great responsibilities which he has assumed. He knows that Africa has become the great storehouse of the world. He believes that the nation which properly controls and develops Africa will be the world's greatest nation. De Gaulle plans on having the Paris Bourse take the place of the London Stock Exchange in connection with these mining and oil developments. I know Paris, and in fact once had an office there. One mission of my present trip to Africa is to ascertain how de Gaulle will succeed in his magnificent program and with what financial institutions he will work. He today is probably reading the life of Cecil Rhodes, which I have just finished reading.

Magazine Editor Back From World Trip Says Wearing of Western Attire Prevails

By DOROTHY ROE

Associated Press Women's Editor

From Brussels to Bombay and from Bangkok to Hong Kong college girls speak the same language, says Betsy Talbot Blackwell, New York magazine editor just back from a two-week trip around the world.

"At Sofia College in Bombay, at Chulalongkorn University in Bangkok and at the International Christian University in Tokyo the coeds knew all about the latest fashion trends from Paris, and were widely interested in the question of the new skirt length," says Mrs. Blackwell. "Even in places where they wore native dress, they kept up to the minute on Western fashions. Their next interests appeared to be dates and careers, in that order. Just like Vassar or Skidmore."

The globe-trotting Mrs. Black-

well, editor in chief of Mademoiselle, started her recent break-neck excursion after attending the fall openings in Paris and speaking to representatives of 42 nations in the United States Pavilion at the Brussels World's Fair.

"In every country—Europe, India, the Orient—girls are crowding into the colleges and universities, dead set on careers," she said. "They are eager to get going in all the fields that American women have tackled, even though they face greater obstacles than our girls do."

"This new freedom for women all over the world has developed in most countries just since the war."

Western dress is the rule for coeds throughout most of the Orient, says Mrs. Blackwell, although in India some of the students wear the sari, and in Hong Kong the native Chinese Chung Sam dress—the traditional and beautiful Oriental sheath—is more usual.

HOOKED RUG EXHIBIT OPENS—The annual hooked rug exhibit at Clinton Avenue Methodist Church opened this afternoon at 1 p. m. Admiring some of the rugs are (l-r) Mrs. Russell Cogan, Mrs. Clyde H. Snell, and Mrs. Raymond Bonestell. Both Mrs. Snell and Mrs.

Bonestell teach the art of making hooked rugs. The exhibit represents the finished works of their students. Public is cordially invited to the show which will remain open until 9 tonight and tomorrow from 1-9 p. m. (Freeman photo)

Good Taste Today

TAKING INFANT TO WEDDING

Dear Mrs. Post: My fiancé has a cousin who has a one-year-old child. She and her husband have been invited to our wedding and reception. I understand that they are planning to take their child with them as they cannot get a baby sitter. I do not think an infant has any place at a wedding reception, and if they cannot get someone to look after the child they should stay home. My fiancé thinks I am being very unreasonable and that if they are willing to put up with the child, they should be allowed to take her. I would very much like your opinion on this.

Answer: I agree with you that a one-year-old child should not be taken to a wedding, but if your fiancé's cousin really cannot find anyone with whom they can leave their child, you cannot bar them at the door, and it will be up to them to keep the child quiet and not annoy any of the other guests.

Money Instead of Flowers

Dear Mrs. Post: Please settle an argument! A friend of mine (whose family always do it) says that it is quite proper to give money to a bereaved family instead of flowers. The bereaved are not kin or very close friends but acquaintances of long standing or neighbors. I contend that this is in very bad taste and insulting to the family. I would like your opinion.

Answer: I absolutely agree with you. In fact it is difficult to imagine anything in worse taste.

Rewarding a Friend

Dear Mrs. Post: A lawyer friend recently handled the estate of my father. His fee was considerably less than he would normally receive. I would like to express my appreciation in some way. Would it be proper for me to send him a gift and, if so, what would you suggest?

Answer: No, don't send him a gift. You must, however, express real appreciation for what he did for you and thank him sincerely.

Should the tissue papers covering the engraving on wedding invitations be removed before mailing? This and other information will be found in leaflet E-10, "Wedding Invitations and Announcements." Mrs. Post is sorry she cannot answer personal mail. To obtain a copy, send 10 cents in coin to Dorothy E. Post, c/o The Kingston Daily Freeman, P. O. Box 99, Station G, New York 19, N. Y. (Released by The Bell Syndicate, Inc.)

Presidents Feted By Baptist Women At Dinner Program

Upwards of 60 women, as members of the Council of Women of the First Baptist Church, opened their fall season Wednesday night in the church parlors.

The dinner also honored all past presidents and new presidents of each Circle of the church.

Theme of the program was based on "Puerto Rico, for which the 'White Cross' work of the Missionary Society is being spent. Food and decorations also were in keeping with the theme.

Mrs. Vernon Hull presented the requisition for the year while Mrs. Norman Swibold, love gift chairman, also spoke.

The Rev. Harold J. Stephanz, pastor of the church, offered two solos, "Just for Today" and "My Task." He was accompanied at the piano by Mrs. Walter T. Johnson.

Another feature of the program was the film, "My Name Is Pablo," relating further what missions can do. The film was narrated by the Rev. Mr. Stephanz.

Intraduction of guests and the word of welcome was given by Mrs. Arthur T. Pedersen, president, who stressed the importance of mission work.

White Plains Woman Is New DAR Regent

BINGHAMTON, N. Y. (AP)—Mrs. Frank B. Cuff of White Plains was elected Thursday night to succeed Mrs. Thurman Warren of Chappaqua as regent of the New York State Daughters of the American Revolution.

About 500 members of the DAR are attending the organization's four-day annual convention, which ends Saturday.

Others elected: Mrs. Lyle J. Howland of Rome, vice regent; Miss Ruth Axtell, Deposit, corresponding secretary; Mrs. Leland R. Post, Binghamton, librarian; Mrs. William H. Fulkerson, Troy, chaplain; Mrs. Howard Ward, Silver Creek, recording secretary; Mrs. Edythe Clark, New York City, treasurer; Mrs. Charles L. Bowman, Larchmont, registrar; Mrs. Wilbur C. Elliott, Great Neck, historian, and Miss Emily Sanderson, Albany, custodian.

Elected directors for three years were: Mrs. John W. Canavan, Glens Falls; Mrs. Samuel W. Leonard, Ithaca, and Mrs. Harold Burke, Rochester.

Of Many Things

by DOROTHY A. NAREL

Home Decoration

All of us would love to be good interior decorators but unfortunately, many of us are not born with that talent. The best we can do is rely on experts or do enough reading on the subject to learn the fundamentals of decoration.

Of course, interior decorating is just as personal as the selection of a dress. It must reflect what you like. I have always admired women who have an eye for color, furniture selection and arrangement for, to me, it represents an enviable talent. I, myself, rely on experts—take their advice—and then proceed to adapt the ideas to my own need. If you fall into this category, you, too, might be interested in the following fundamentals passed on to me.

First of all, remember, that any home interior should be flexible and provide for the convenience, comfort and health of the family. You'll find that the minute your home does not provide these fundamentals, you seek a change.

Adopt a good basic plan with an eye to durability, quality—add a dash of personality—and you will turn your house into a home.

Choose a style of decoration that will most suit your way of life. The starting point is, naturally, the type of house or building in which you live.

In a city apartment, large or small, the outside of the building will be of little importance and you may indulge in almost any style of decoration from Mexican primitive to Louis XIV—even modern in its most abstract form.

Parents Committee Plans Annual Card Party at Port Ewen

The Parents Committee of Brownie Troop 120 will hold its annual "Harvest Time" card party Thursday, Oct. 16, at the Port Ewen Town Auditorium. There will be awards and refreshments. Tickets may be obtained from any member of a Brownie of Troop 120 or at the door on the night of the card party.

Mrs. Robert Graves is the card party chairman and her committee members are as follows:

Awards: Mrs. John Fischl, chairman; Mrs. Louis Goldberg, Mrs. John Spinnenweber, Mrs. Ethel Williams, Mrs. Everett Williams, Mrs. Ed Boyle and Mrs. Pat O'Donnell. Publicity: Mrs. Vincent Secor, chairman; Mrs. Arnold Ellsworth, Mrs. Walter Lemister and Mrs. Sol Rosenthal. Floor: Mrs. Burton Heldron, chairman; Mrs. Roland Myers, Mrs. Harry Van Ormer, Mrs. Robert Quick and Mrs. Arlington Finch. Refreshments: Mrs. Thomas Farrell, chairman; Mrs. Kastner. Decorations: Mrs. Roy Cooper.

Inside, you must give attention to type of woodwork, window coverings, color of rooms and the heights of ceilings. These factors should determine the type of interior decorating you will select.

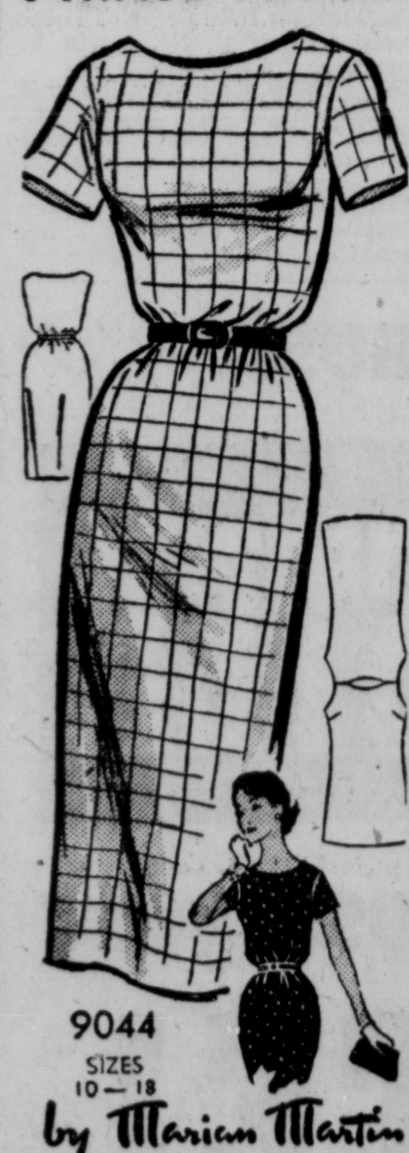

The outside of a suburban apartment building will, of course, have more influence on interior decorating, since, invariably, the structure will be of a particular style and period. It certainly wouldn't do to choose the gloomy formality of medieval-Italian furniture for a pink modern building. Here, according to the experts anything in the American tradition, including modern, would be more suitable.

Houses, both in the city and country, are much more definite in their demands. This seldom becomes a problem, however, as in choosing a house, or even a few rooms in a house, the exterior becomes a part of the whole plan. You build, buy or rent a modern house because you like modern styles. You move into a Cape Cod house, a Georgian mansion, or a brownstone, because you have or like the furnishings that go with each of them.

Types of decoration and styling seem to fall within five categories: rustic, casual, informal, semi-formal and formal.

On Monday, I will attempt to outline the furniture, textiles, wall covering, colors, floor covering, lighting fixtures and accessories suggested for us in these five categories.

An Invitation To Lake Minnewaska

Although many who reside a hundred miles and more from Lake Minnewaska frequently come for the day and a meal, some who live in the surrounding communities are unaware that we would like to have the opportunity of welcoming them whenever they wish to visit us. All of the facilities of our hotels—our 10,500-acre estate with its three lakes, seven waterfalls and more than 100 miles of roads and paths for hiking, our superb swimming, boating, tennis, carriage and saddle-horse rides, our gourmet food and high-quality services and our evening entertainment, are available to those who come for a meal and the day to the same extent as they are available to the guests who stay for overnight or longer.

In order to protect the privacy of our guests, those who visit

us for the day on Saturdays, Sundays or holidays purchase meal tickets at our entrance gate, and those who come during the week, from Monday to Friday, pay \$1.00 per person as an entrance fee, but this fee is credited to each guest who uses our dining facilities. This control has become necessary since Route 44-55, which passes our entrance gate, has become so busy a highway.

You are welcome to come to see us whenever you can. Lake Minnewaska is known as "One of America's Most Beautiful Resorts," and the spectacular fall coloring is just beginning. We are located within twenty-five miles of Poughkeepsie, Newburgh and Kingston and are open through October 27th.

We have available a program of colored slides showing the beauty and activities at Lake Minnewaska. We shall be glad to show these to interested groups or organizations.

Girl Scout News

Preliminary plans are being made for selection and training of three Senior Girl Scouts who will be chosen to represent Ulster County at the 1959 Senior Scout Round-up to be held next July at Colorado Springs, Colo.

At a meeting held recently at the home of Mrs. Calvin Wygant, Marlboro, president of the Board of Ulster County Council of Girl Scouts, representatives were present from the three councils who will combine to send a patrol of eight girls from this area. Details were discussed concerning the function of various board committees in relation to the Round-up, responsibilities of each participating council, a tentative timetable for selection and training. A committee was appointed for setting up and conducting training for the group.

Present at the meeting were the following: Ulster County Council, Mrs. Wygant, Miss Eunice Thomson, executive director; Mrs. Jerry Blair, district director; Mrs. David Ennis, chairman round-up selection committee; Dutchess County Council, Miss Ellen Hart, executive director; Miss Judith Sharp, field director; Mrs. Cynthia Marcy, chairman round-up committee; Newburgh Council, Mrs. Dorothy Harper, executive director; Mrs. Angie Colandria, council president, and Mrs. Marie Leghorn, round-up committee chairman.

Ulster County Scouts are among the thousands that are building programs at home around the round-up theme "New Frontiers," enriching their own troops with the flavor of the Round-up's four frontiers: Frontiers of Home, a continuation of the "Americana" theme of the 1956 Round-up; The Western Frontier, delving into the history of frontier living, Indian lore, life in the early West; The World Frontier, emphasizing the international aspect of the Girl Scout program; Widening Frontiers, activities which help girls expand their own mental frontiers of interest and understanding.

The polling places in the City of Kingston will be open tonight until 10 o'clock. Saturday the hours are from 10 a. m. to 10 p. m. In the rural areas, the polls will be open Saturday from 7 a. m. to 10 p. m. Register tonight or tomorrow and be sure of your right to vote in the November election.

Volunteer Service Pins Are Awarded

Volunteer service pins were awarded to several members of the Benedictine Hospital Auxiliary at the regular meeting of the Auxiliary on Wednesday evening. Awards were made by Sister M. Berenice, administrator of the hospital. Those receiving the awards were the Mmes. Raymond Reilly, Vincent Amatrano, Frank Casciaro, Howard Fox, Theodore Gallop, Vincent Guido, Donald Luce, Douglas Masterson, Jay O'Neil, Joseph Scholard Jr. and the Misses Margaret Finn and Angela Goffredi. The pins represented 100 or more hours spent by the volunteers in the hospital in the volunteer services of the Auxiliary, namely, the sales cart, desk service and baby photo service.

Mrs. Edward Dolan, president of the Auxiliary, greeted the large group of members present for the meeting. Reports were made by the chairmen of the many activities of the Auxiliary, covering the summer months, during which the Auxiliary does not meet. These reports indicated that the volunteer work had continued successfully during the summer. The Auxiliary also had a luncheon in June and a summer dance in August.

Thirteen new members were introduced. They were the Mmes. Richard Ruth, Alexander Schoen, Theodore Chamberland, John Heitzman, John Finch, Daniel Allen, Lewis Bonestell, Donald Droulette, Charles Comack, Robert Gardiner, Robert Winrow, Donald Dolan and Ralph Stewart.

Mrs. John Olivet and Mrs. Douglas Masterson will be co-chairmen of a dessert-bridge to be given by the Auxiliary on Thursday afternoon, Oct. 30, at the Wiltwyck Country Club. The committee assisting Mrs. Olivet and Mrs. Masterson consists of the Mmes. William Cranston, James Beardi, Alexander Chappell, William Hughes, Frank Tucker, John Sanglyn, Leo Kilcoyne, John Gilligan, Vincent Connelly and John McCordie.

Sister M. Berenice, in speaking to the group, expressed her thanks for the work which the members are doing for the hospital. She also complimented them on the interest and enthusiasm with which they do their work.

Mrs. John Cooke Jr., was named chairman of the nominating committee which will report at the November meeting. The other members of the committee are Mrs. Collins Troy and Mrs. Jay O'Neil.

Mrs. Edward Phelan, Mrs. Joseph Scholard Sr., and the Misses Margaret Finn and Mary Campbell acted as hostesses for the social hour which followed the meeting.

Philharmonic Opens Season; Bernstein Named Conductor

NEW YORK (AP)—The venerable New York Philharmonic opened its 117th season Thursday night with a Broadway-like bang. Interspersed with the symphony numbers were signing and talking by the Philharmonic's dynamic conductor, Leonard Bernstein.

Bernstein—a popular composer of the Broadway musicals "On The Town," "Wonderful Town," and the current hit "West Side Story"—put on a show of his own at staid old Carnegie Hall.

For an opening Philharmonic night, there was a startling variety of dress ranging from tails, tuxedos and tiaras to sport coats and slacks. The "preview" performance—announced frankly as an experiment—was applauded warmly.

Bernstein and his men wore white tie and tails. But the maestro, opening his first full season as music director, said that soon the orchestra would have special-designed "working clothes" for Thursday nights.

Since the formal opening of the concert does not take place until this afternoon, critics were requested not to attend until that time.

Woman Is Appointed Chief By Mayor in War on Bingo

AURORA, Ill. (AP)—Irate but ignored in his bingo war with Aurora police, Mayor Paul Egan has uncorked a real eyestopper in his bid for obedience and headlines—a lady police chief.

He announced that Lura Patricia (Patti) Counts, a red-haired night club press agent, is the new chief of police.

The 28-year-old green-eyed lass from Chicago has never dealt with the criminal element, but she says she's studied sociology. And she looked very well in a cheesecake pose for photographers.

"Press agency," cried the opposition in this northern Illinois town of 55,000.

Council Backs Curran

"It's just too ridiculous to comment upon," declared Donald Curran, whom Egan fired as police chief for not cracking down on bingo. Only he didn't go. And the City Council said he didn't have to.

Neither did the Police Department go when Egan suspended the entire 68-man force for listening to Curran.

But as far as the fiery little mayor is concerned Miss Counts is the chief.

"Her success at Aurora will accrue to the benefit of the entire world," he proclaimed.

And said she: "I will fight those who oppose my appointment."

Will Stand Fast

When somebody asked if she's tried to supplant Curran yet, she replied, "I've never met the man, but he's too much of a gentleman to throw me in jail."

Miss Counts will do her fighting without a gun, she says. She added that she's against capital punishment.

ishment and will bank her success heavily on the sociology and economic courses she said she learned at Radford Teacher College in Radford, W. Va.

Waiting For Bond

Miss Counts hasn't even been sworn in yet. Egan says he's waiting until the bonding company says she's good for \$5,000 coverage.

Like the 10 police chiefs Egan has fired and hired during his hectic 4½ years as mayor, Miss Counts will have to know who's in charge.

In his official message to her Egan said: "I want the department renovated, improved and streamlined. But before you make any major decision I want to be consulted."

He told her she was to listen to no phony commissioner-mayors or anybody else.

Miss Counts is supposed to do this for the next 60-days. It's a temporary job, Egan said.

The tall (5 foot 8) Miss Counts says she's not worried about the possibility she may not get her paycheck.

"That'll be all right," she said.

"I make twice as much as the chief's salary by free-lance writing." The chief gets \$7,092 a year.

Maroon Seeks 18th Straight in Game With NYMA Tonight

Beefy Cornwall Squad Will Pose Major Threat

Seeking a third straight DUSO League crown and trying for consecutive win number 18, Kingston High School will close out its night game schedule this year with a meeting against rugged New York Military Academy tonight, at 8 o'clock, at Dietz Stadium.

This is the second game of a rugged schedule for Kingston. Last week the Maroon upended Port Jervis, 25-0, in its opener.

NYMA has played and bowed to Linton of Schenectady, 15-7. The team is young, but features a big line and a speedy backfield. Last year the Cadets bowed to Kingston, 18-12, and another rough battle is expected.

The lineups:

KINGSTON HIGH	Position	NYMA	No.

New Paltz Adds Varsity Soccer To Sports List

Soccer has been added to the fall sports schedule of the State University Teachers College, New Paltz, and the first game of the season is scheduled for Saturday, October 4 on the home field.

Organized for the first time in the history of the College, the soccer team will meet the "Redmen" of the Oneonta State University Teachers College for the first game.

The soccer squad is built around John Zappala, Bill Mason, Tony Potts, and Monte Wilde, and Coach Charles F. Wolbers hopes to have an enthusiastic team to make up for the lack of experience.

Rank Beginners

Coach Wolbers pointed out that some of the boys on his squad never played soccer before this year. In a scrimmage game last week against the Rifton Club, the "Hawks" came out victorious 4-0, and Coach Wolbers hopes that this scrimmage will give a little experience to face the Oneonta squad. He is an advocate of good conditioning and has been working his squad very hard.

Four more games included on this year's schedule include: Tues. Oct. 7, Danbury, away. Thurs. Oct. 16, Danbury, home. Sat. Oct. 18, Potsdam, away. Fri. Nov. 7, West Point JV, away.

WELCOMING COMMITTEE AT HOME PLATE—Braves pitcher Lew Burdette reaches home plate after hitting homer in first inning of second World Series game at Milwaukee. Greeting him from left are batboy, Johnny Logan (23) and Billy Bruton (38). Blow scored three runs. (AP Wirephoto)

It Was Real Massacre See Finale at Stadium

Bruton's Blast Was a Sign of Things to Come

By TED SMITS

Associated Press Sports Editor

MILWAUKEE (AP)—The first

inning decided the second world

series game in more ways than

one.

The Yankees had their big

chance with the bases loaded and

none out. But the best the Ameri-

can League champions could do

was one run scored on a forceout.

Yogi Berra ended their hopes by

hitting into a double play.

Although Lew Burdette gave up

three homers, two to Mickey Man-

tle, he never was in serious trou-

ble because the Braves scored

seven runs in the bottom of the

first, three of which came on his

own home run.

So the Braves won the second

game 13-5 and went two up on

the Yankees.

But possibly there was a mo-

ment in that fateful first when

things might have taken another

turn.

Billy Bruton led off with a home

run that had authority, and Red

Schoendienst doubled. Bob Turley

got Eddie Mathews on strikes and

then ran into difficulty with Hank

Aaron, after the count went to 3-2.

"They were hitting Bob's fast

ball and he couldn't get his break-

ing ball over," Berra explained

afterwards.

The Turning Point

Turley walked Aaron and that

was the turning point.

With two men on and only one

out, Wes Covington singled to

right center, scoring Schoendienst,

and Duke Maas took over for Tur-

ley on the mound.

He got Frank Torre to fly to

Elston Howard. Then he walked

Del Crandall, filling the bases.

Johnny Logan's single brought in

two runs, and Burdette's big hom-

er to left field added three more.

That was the ball game.

The Braves kept piling up runs

and the Yankees managed four

more but it was never a contest.

With one out in the second,

Mathews doubled and scored on

Covington's single.

Mantle's homer to start the

fourth made the score 8-2 but the

Braves came back with two more

in the seventh after Aaron hit a

high chop to third for a single.

Covington singled to right, and

Aaron came home on Frank Tor-

re's single. Covington scored on

Crandall's sacrifice fly to center.

It Was Murder

The Braves reached their im-

posing total of 13 in the eighth

with Zach Monroe—the fifth Yan-

kee pitcher—on the mound. After

Burdette struck out Bruton drew

a walk. Schoendienst got a ground

rule double on a drive to the right

Variety Is the Spice

Defense Is On Trial In Saturday Football

Pitched the Same As in 1957 Series Says Burdette

By CHUCK CAPALDO

Associated Press Sports Writer
MILWAUKEE (AP)—"I pitched the same way against them as last year. Why should I change?"

The speaker was the Milwaukee Braves' Lew Burdette and he was referring, of course, to his continued World Series mastery over the New York Yankees.

As they say in the West Virginia mining country where Burdette comes from, he whupped 'em for fair Thursday for the fourth consecutive time as Milwaukee won 13-5.

Only Left Gomez ever beat the same team four straight in World Series competition. He did it for the Yankees against the Giants in 1936-37.

Burdette laughs off suggestions that perhaps he has been using a secret weapon on the Yankees.

"I honestly don't know why I can beat them, or how for that matter," he said. "There's no reason that I know of."

Yankees Baffled
He might have pointed out that the Yankees just don't seem to be able to cope with his assortment of breaking pitches—screws, sinkers and sliders—especially when he keeps them low.

The 31-year-old right-hander also might have mentioned his sharp control. He issued only one base on balls, an intentional one to Mickey Mantle in the first inning.

He preferred to dwell on the three-run homer he hit in the Braves' seven-run first inning, the Yankees' ninth-inning uprising and "the room."

Burdette denied that he let up in the ninth when Casey Stengel's athletes clipped him for four of their seven hits and three of their runs.

"I didn't let up intentionally, at any rate," he said. "I was just throwing strikes to get them out. Made 'em too good, I guess. Then I figured I better get them out. Things were getting rather binding out there."

2 DOWN . . . ? TO GO!

Kingston, N. Y., Oct. 3—The question before the house today is how many more games the World Series will go.

We've had quite a time watching it here in our barber shop. Needless to say, our boast of fast service has gone out the window during the innings of play. However, tonight until 8 p. m. and tomorrow until 5:45 we will be open to cut your hair and talk of baseball.

and, if you are in a hurry during the Series TV broadcast in our shop, we will do our best to serve you swiftly. Come in and watch the game with us.

First Block Set For October 18

Qualifying dates for the National All Star bowling eliminations sponsored by the Hudson Valley Bowling Proprietors Association were announced today by John S. Ferraro, president of HVBPA.

First round action for both men and women is scheduled to start Saturday, Oct. 18.

Finals for the men will be staged at Highland Falls on Nov. 8-9 and Nov. 15-16. The distaff bowlers wind up their qualifying blocks at the Bolwomatic in Newburgh on the same weekends.

Winners of the two divisions will receive an expenses-paid trip to the All Star Nationals in January.

Jerry Oster and Rose Sshatzel of Kingston were the 1957 finalists.

The male bowlers will roll qualifying rounds at Monroe Lanes, Saugerties, Rhinebeck Lanes and Highland Falls. The women's slate includes Dover Plains, Hoe Bowl, Poughkeepsie, Sangi's Bowlero in Kingston, Florida and the Newburgh Bowlomatic.

Blanks Available

Entry blanks are now available at Sangi's Bowlero and Ferraro's Bowlorium. The entry fee is \$20.00 for men and \$15.00 for women.

The dates as announced by Ferraro:

Men's Division

First Block—Monroe Lanes, Oct. 18-19.

Second Block—Saugerties, Oct. 25-26.

Third Block—Rhinebeck Lanes, Nov. 1-2.

Finals—Highland Falls, Nov. 8-9 and Nov. 15-16.

Women's Division

First Block—Dover Plains, Oct. 18-19.

Second Block—Hoe Bowl, Poughkeepsie, Oct. 25-26.

Third Block—Sangi's Bowlero, Kingston, Nov. 1-2.

Fourth Block—Florida, Nov. 8-9.

Fifth Block—Bowlomatic, Newburgh, Nov. 15-16.

Six Games Is Spahn's Forecast

Warren Spahn, who probably will pitch the fourth game Sunday, said he figured it will take six games for the Braves to repeat last year's triumph.

"These Yankees are tough," he said.

Perhaps the Yankee optimism was the result of their three-run ninth inning outburst against Burdette.

He had a three-hitter and had retired 15 men in a row going into the last inning. Four straight hits, including home runs by Hank Bauer and Mickey Mantle, put him in real trouble for the only time since the first inning when the Yanks scored first and had the bases loaded before the first double play of the series pulled him out of it.

But Burdette dug up a little something extra in the ninth and three straight putouts followed the four hits.

Lew left the field as the first pitcher in 21 years to win four straight from the same team in World Series competition. Lefty Gomez, a Yankee great, did it back in 1936-37 against the New York Giants but he had relief help in one game, while Burdette's have all been complete jobs.

Burdette himself homered in the last half of the first to cap a record seven-run inning by the Braves that all but wrapped it up. He was the fifth pitcher to homer in a World Series and the first since Buckie Walters did it for Cincinnati against Detroit in 1940.

Elston Howard, playing left field for the Yanks, crashed into the fence in a vain effort to pull down Burdette's poke. Examination showed he probably will be sidelined Saturday.

Howard's replacement, Norm Siebern, got one of the seven hits off Burdette, who walked one and struck out five. Bauer had two hits and Mantle in series play, second only to Babe Ruth's 15.

Rookies Added To US Cup Squad

SAN FRANCISCO (AP)—The United States today looks to youth, including a pair of teenagers and a Peruvian, to recapture the Davis Cup which Australia's tennis stars have held three years.

Veering away from policies of the past, the new group heading the Davis Cup campaign brought some innovations and a declaration from non-playing Capt. Perry T. Jones that "we have an excellent chance to win."

Named to the five-member squad were Earl Buchholz Jr. of St. Louis, Chris Crawford of Piedmont, Calif., Barry MacKay of Dayton, Ohio, Hamilton Richardson of Washington, D.C., and Alex Oimedo of Peru, a student at the University of South California.

Weather permitting, the Kingston tennis tournament champion should be crowned Sunday, when defending titleholder, George Baron, meets the winner of Saturday's semi-final clash between Stewart Strickland and Dick Smith at Forsyth Park.

Inclement weather has hampered the tournament the past two weekends and dragged the schedule far beyond early estimates.

Tennis experts predict a repeat of last year's finals when Strickland extended Baron to the limit

Such is the magnetic appeal of Hobie Armstrong that football fans, obviously without school ties, have been calling this department to check if the Maroon ace will be in the lineup tonight for Kingston High's important meeting with New York Military Academy at Dietz Stadium.

One gentleman, who refused to identify himself over the telephone, said unhesitatingly:

"Id like to know, because if he doesn't play, I'm not going to the game."

The caller was in the vast minority. Several thousand will be watching as Coach Bill Burke's boys strive for their 18th consecutive victory against a team that has pointed for Kingston for nearly a year. It figures to be a rock and sock affair, with no holds barred. Kingston needs Armstrong and its full strength to repel the Cornwallians.

But Hobie's physical well being and future transcending any particular victory, even one which is No. 18 in a row. Like we told the fellow on the telephone: "Hobie will play, if Bill Burke thinks he's fit and ready."

Salute to LL Servant:

Jake Chichelsky's resignation as secretary of the Babe Ruth League removes from the local junior baseball scene one of its most faithful servants. You can't say enough about Jake's contributions and devotion to Little League and later Babe Ruth baseball, a remarkable record when you consider that Chichelsky is a bachelor. Newly elected president of the Kingston Bowling Association and hampered by failing eyesight, Jake had to draw the line somewhere in lightening his work load.

We have to remember Jake as the most efficient Little League secretary in our time. He has been associated with the junior baseball program for eight years, six with the Little League and two with the Babe Ruth. In 1956 when two major business concerns in Kingston dropped their sponsorship in the National LL, he worked hard to keep the league going and was instrumental in bringing the Shults Paint Co. and Canfield Supply into the Little League. They have been among the finest LL sponsors in the city since that time. Jake Chichelsky certainly rates a salute for a job well done.

Earl Conro of Chichester, Identification Officer with the Ulster County sheriff's office, returned last weekend from a hunting and fishing junket in Canada where he shot a 350-pound black bear with a .38 caliber pistol. The bulky bear was dispatched in the best Martin Johnson tradition, with Mrs. Conro taking a movie of the action. The 'bar' was laid low with one shot between the eyes at 75 feet. The bag was near Catfish Depot, about 165 miles north of Ottawa. The Conros also saw a large wolf and slung a few pistol shots at it without effect. They were in the Canadian wilds about 10 days, took some film of a bull moose, enjoyed some hunting and fishing and watched lumberjacks at work cutting and floating logs to pulp mills. They camped in deserted lumber camps, getting back to that bear, we think Messrs. Paladin, Matt Dillon and Jim Hardy better look to their laurels.

Joe Ausanio powered the No. 1 series in the Ferraro Major last night, stacking games of 246, 190 and 192 for 628.

George Robinson posted 222-606, Chris Gallo 206-207-604, Jack Ferraro 249-611, Jim Amendola 200-246-609.

Best team slams were Uptown Billiard Parlor's 1017 and 2893. JACK BLINDER led Mannie's Barber Shop league keglers with a 569 series on lines of 183, 212 and 174. Joe Rich shot 556, Tom Crumpton 225-528, Ralph Mar- 208-538, Mike Cashara 212-564, Flavio Castiglione 501, Richard Stolz 510, Fred Bayona 217-548; team results: Empire Liquor Store 0, Reynolds Plumbing 3; Boiceville Inn 2, Victory Bakery 1; Cedar Rest 1, Hilco Homes 2; Madden's TV 0, Stuyvesant Barber Shop 3.

MARCIA ALBERT decked games of 189, 161 and 155 for 505 top triple in the Central Rec Women's League. Marge Hornbeck fired 471, Pat Pearson 405, Shirley Keizer 453, Jennie Spada 432, Mary Lou Schabot 466, Janet Hines 468, Marge Delamater 421, Elmer Burberg 432, Ella Kabator 430, Trude Reis 417, Fitz Davis 452, Jessie Bur-nett 481, Dot Geisler 221-469, Thelma Garon 461, Rosemary Pillsworth 446, Rose Rhymer 419, Ellen Hutton 410, Belle Schwarz 418, Mildred Mackley 413, Rita Amarello 447, Lee Madden 421, Mildred Buddington 409, Mary Mills 490; team results: Stuyvesant Tailors 1, Vandylerly Battery Co. 2, Stone Ridge Fire Aux. 0, Marcrest Lamps 3; The Wrens ½, Minasian Market 2½; Singer's Dept. Store 2½, Acker's Charter Service ½.

BILL FERGUSON mixed strikes for a 508 count on games of 166, 170, 172 in the Telco League. Bob Dalton had 204 and Irvine Klomps 500; team results: Ringers 1, Shorts 2; Slack Pul- 2, Wheels 1; Twisters 1, Testers 2.

EMIL LEUPPERT put together scores of 180, 183 and 187 for 550 in the IBM Field Engineering League. Ben Pappenheimer posted 500, Richard Czaplowski 547, Ron Hurley 516, Floyd Perkins 514, Frank Sains-

bury 236, Earle McLane 500, Harold Muma 506; team points: Pythons 1, Wasps 3; Hawks 3, Cobras 1; Hornets 3, Tigers 1; Panthers 2; Falcons 2; Lions 2½, Eagles 1½.

HELEN HILDEBRANDT spliced 164-138-149 for 451, the lone four-hundred set in the Live Wires league, team results: Empire Diner 0, Promised Land 3; Gov. Clinton Market 3, Hamburger Paradise 0; Teepee Restaurant 0, Cedar Rest 3.

BEVERLY VAN VOORHIS spilled enough strikes and spares for 157-175-165-497 in the IBM Floral League. Carol Munch shot 432, Jean DuBois 421, Evelyn Gross 444, Betty Bellows 441, Judy Lowe 462, Mary Ann Keen- 412, Carol Tremper 418, Peggy Norton 450, Pretty Pansies 419; Rosebush 3, Pretty Pansies 0; Peppy Poppies 0, Snowdrops 3; Bleeding Hearts 1, Fiji Mums 2; Daffy-Dils 1, Happy Hibicus 2.

DEAN STEWART reeled off 212-158-157 for 527 in the IBM Otsego League. Vince Smedes shot 521, Dino Lapadula 502 and Ken Steltz 501.

ETHEL HORNBECK paced IBM Busy Bees shooters with 151-139-154 for 444. Rose Nardi hit 424, Ruth Jordan 504, Ann Hinkley 403, Gail Parsons 410.

The scores by teams in the Ferraro Major:

Uptown Billiard Parlor (2)—Joe Micozzi 215-586, Dick Waltman 223-588, Ralph Garofala 525, George Robinson 606, Larry Petersen 588; 905-971-1017-2893.

Braves See Tougher Time Ahead

By JOE REICHLER

Associated Press Sports Writer

NEW YORK (AP)—Two up and two to go. But there is not a Milwaukee Brave who thinks it will be easy.

Two down and four to go. But there is not a New York Yankee who thinks the situation is desperate.

That was the World Series picture today as the Braves and Yankees took a 24-hour breather after Lew Burdette's 13-5 conquest of the American League champions that gave Milwaukee a 2-0 edge in the series.

Despite their crushing defeat, matching the worst beating they had ever absorbed in series competition, the Yankees were confident they could turn the tables on the Braves, winning at least two out of the three in Yankee Stadium.

Last Ditch Larsen

Manager Casey Stengel, who saw his left- and right-handed aces, Whitey Ford and Bob Turley, driven from the mound in two successive days, will rely on Don Larsen, another right-hander, Saturday.

Manager Fred Haney said his starting pitcher will be either Bob Rush or Juan Pizarro.

The guess here is that the third game pitcher will be Rush. The big right-hander gets the call over the young left-hander because of his greater experience. Rush had a 10-6 record during the season. Larsen was 9-6. The Yankees are 7-5 favorites.

The series odds, which now favor Milwaukee at 11-5, failed to dampen Stengel's faith.

The Brooklyn Series

"Sure, we're not in what I would call a rosy position," he said, "but this thing is not over by a long shot. Why, only two years ago, we lost the first two to Brooklyn. I seem to remember that we won it at the end, didn't we? There's no law that says we can't do it again. You just never know about those things until they happen. Then you know."

"Somebody ought to tell those guys not to get too cocky just because they beat us a couple of times. This club of mine has a way of coming back. I know we haven't looked so good but we might get to 'em pretty quick."

Stengel better not bank on the Braves becoming too cocky. Haney spoke for all of his players when he said: "It's far from over. All I'm looking forward to is Saturday's ball game. We'll play them one at a time. All right, so we're two in front. That's two they can't win. But you can't become chummy. They can come back and pin our ears back. You just got to play 'em one at a time."

Parker Praises Browns' Three Speedy Backs

PITTSBURGH (AP)—Mitchell, Brown and Bolden. Coach Buddy Parker of the Pittsburgh Steelers calls the Cleveland Browns' backfield trio a bundle of dynamite.

"Explosive all the way," Parker adds. "They can break a game wide open with their running. If we can contain these three, we could pull off a victory Sunday."

The undefeated Browns and the once-beaten Steelers meet here Sunday in the second week of play of the National Football League.

"Traffic runners," Parker calls the three, adding:

"Mitchell, fast as lightning."

"Brown, big, but you can catch him."

"Bolden, an open-type runner who is hard to get a hold of." Bob Mitchell of Denver, Colo., is a 6-foot, 180-pound halfback who came to the Browns this year from the University of Illinois. He starred in the College All Stars upset victory over the Detroit Lions.

Jim Brown is in his second year with the Browns. The 6-2, 228-pound fullback was the Browns' No. 1 draft choice after playing college ball at Syracuse. His home is in Hempstead, N. Y.

Leroy Bolden is a 5-9, 170-pound rookie halfback from Michigan State and makes his home in Flint, Mich.

5-2 Favorite Yonkers Winner

By THE ASSOCIATED PRESS

A 6-year-old pacer, Chief Lenawee, held off determined bids by B'Haven and Irish Thursday night and won the \$10,000 free-for-all at Yonkers Raceway by a nose.

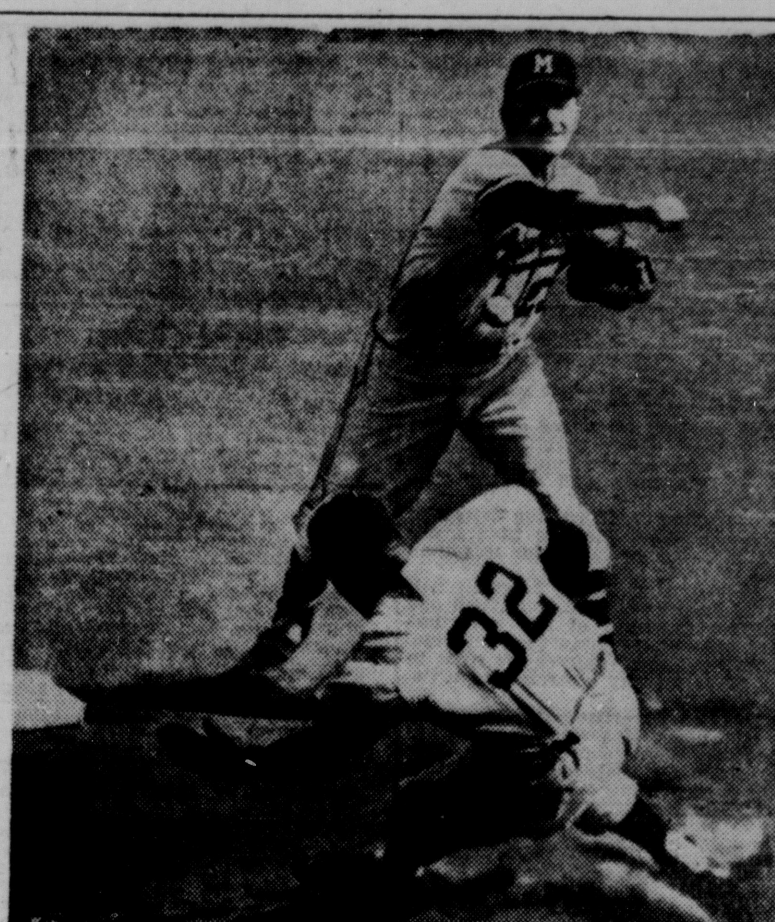

Piloted by Stanley Dancer, Chief Lenawee nosed out B'Haven in 2:03 4/5 for the mile. He was a 5-2 favorite.

Six of eight starters held the lead at some point in the feature at Saratoga Raceway, but Wee Lad, a 15-to-1 shot, outlasted them all and won the \$1,936 Averill Park pace.

With Gay Parker at the reins, Wee Lad moved from seventh at the three-quarters mark to edge Bob Henley by a head. The 3-year-old gelding was clocked in 2:07 and paid \$33.80.

In the feature trot at Vernon Downs, Scotch Kin came from third at the three-quarter pole to win over Megan Hanover. Scotch Kin returned \$5.70.

At Batavia Downs, Helen Brooke K rounded the oval in 2:07 in capturing the \$2,000 Class A trot. The triumph was Helen Brooke K's third in her last four starts. She returned \$9.10.

CUTTING DOWN THE YANKS—Elston Howard (32) of the Yanks is forced at second as Braves shortstop Johnny Logan fires ball to first to complete double play in first inning of second World Series game. Play started when Yogi Berra hit grounder to Red Schoendienst. (AP Wirephoto)

Escapes Caught Running Away In Official's Car

ELYRIA, Ohio (AP)—Three escapees from a Vermont jail were back behind bars today after they had cracked up a New York State assemblyman's car in which they were fleeing.

A policeman said he had stopped the trio here Thursday when they suddenly took off at a high rate of speed. The policeman gave chase until the car smashed into a utility pole just west of the city limits.

The three, in the city jail, are Willard E. Moody, 27, of Rutland, Vt.; Benjamin E. Davis, 19, of Pittsford, Vt., and Arthur G. Mason, 26, of East Dorset, Vt.

The trio escaped from the Rutland County Jail last Saturday night. Moody was serving a term for breaking and entering, the other two for lesser crimes. Rutland authorities said they stole several vehicles in their flight through southern Vermont, New York State and Ohio.

In Seneca Falls, N. Y., they took a 1957-model car, owned by Assemblyman Lawrence W. Van Cleef. Van Cleef, who had been using the car in his campaign for re-election, thought it was taken as a political prank. He found it missing from his garage Thursday night.

It was a rather conspicuous object. Said a Seneca Falls policeman: "It's got special license plates—no numbers, just the initials 'VC.' No other car like it in the state."

Shower Slip Fatal

PITTSBURGH (AP)—Frank Hasenkopf, 15, slipped while taking a shower Thursday night, crashed through the glass door, cutting himself so badly that he died an hour later from shock and loss of blood.

Church, Mrs. R. Shelighner, leader. Boy Scout Troop 26 meets at 7 p. m. at the Reformed Church, Robert Freer, scoutmaster.

500 Battle Fire

MONROVIA, Calif. (AP)—Five hundred fire fighters battled today to control a fire that has raced through 320 acres of tinder-dry brushland on the outskirts of this suburban foothill community.

Firemen said at least seven homes have been destroyed by the blaze blamed on three children playing with matches.

A receptionist at a sanitarium told firemen she saw three children start the fire Thursday afternoon.

Two sanitariums were evacuated as the flames crept toward Monrovia, 10 miles northeast of Los Angeles.

Blast Kills 36

BELGRADE, Yugoslavia (AP)—The explosion at Podvis coal mine Thursday took at least 36 lives and the fate of 20 more miners is still unknown, Belgrade radio said today.

An official announcement said the blast trapped 188 miners in the 2,000-foot deep pit near the Bulgarian border and only 132 were rescued.
